P-TA DISTRICT WORKSHOP HERE WELL ATTENDED WEDNESDAY

The District 18 Parent-Teachers Association Workshop was held here Wednesday in the First Baptist Church with 148 registering by 10 a.m. The sessions were opened with a color guard from Boy Scout Troop 43. The boys were Michael Young, Mike Murphree and Randy Smith.

Supt. C. F. Cook gave the welcome from the school and town. Mrs. Floyd Clifton, president of the Hamlin Elementary P-TA welcomed the assembly on behalf of the local organization. The response was by K. C. McCasland, superintendent of Rotan Schools.

Mrs. D. W. Boren, district president from Abilene, presided.

Mrs. J. W. Miller of San Antonio, state vice president, was the speaker for an address on "P-TA Concepts" preceding the afternoon workshops.

"Homes Create Strength Through Good Citizenship" was the theme. Workshops were conducted on programming, basic instruction, and physical fitness during the morning session.

The afternoon was given to discussions of school dropouts, responsibility of school and family, and the relationship of P-TA and the public schools.

The members of the District Board were honored at a dinner Tuesday evening in the primary cafeteria hosted by the Hamlin Board of Education. Miss Aleise Cline, counselor for the Abilene school system was the speaker.

Mrs. Earl Brown, fifth grade teacher here, was one of several persons given a Life Membership in the Texas Congress of Parent-Teachers following the luncheon.

LOCAL CANCER DRIVE PLANNED FOR TONIGHT

Guy Weaver has been named head of the Hamlin Cancer Drive by the Jones County Society and has announced the drive to be held here tonight (Thursday) at 6:30 p.m.

Residents are being asked to have a donation ready when a volunteer calls during the house to house drive.

Everyone is also urged to read the available literature about cancer as cancer strikes often. More and more people are being cured of cancer but it must be detected early. Information concerning the disease is also being distributed during the drive.

Cotton Insect Meet Planned Monday

There will be a Cotton Insect Meeting in the County Agent's Office at 7:30 p.m. Monday, April 29th, according to information received today from County Agent, Kirby Clayton.

Weldon Newton, Extension Service Entomologist from The Texas A&M College will be on hand to bring farmers up to date on the latest control measures for cotton insects.

All Cotton Farmers are invited to attend.

PROCLAMATION

ANNUAL CLEAN-UP WEEK MAY 6th-MAY 11th, 1963, INCLUSIVE

WHEREAS, cleanliness of our City contributes to the health and well being of the people of our town; and, WHEREAS, trash and rubbish are breeding places for flies and mosquitoes, and, WHEREAS, flies and mosquitoes are the chief contributors to the spreading of disease, and, WHEREAS, trash and rubbish create one of our worst fire hazards, and, WHEREAS, the officials of the City of Hamlin, Texas, recognize the importance of cleanliness and its importance to the health and beauty of our community, THEREFORE, the cooperation of every man, woman and child is necessary to make a success of this project,

NOW THEREFORE, I, John V. Howard, Jr., Mayor of the City of Hamlin, Texas, do hereby proclaim the week of May 6th-May 11th, 1963, inclusive as SPRING CLEAN-UP WEEK.

IN TESTIMONY WHEREOF, I hereto sign my name and seal of office this 16th day of April, 1963.

John V. Howard, Jr., Mayor
City of Hamlin, Texas

MAYOR PROCLAIMS MAY 6-11 AS CLEAN-UP WEEK HERE

May 6-11 has been specified as the annual Clean-up Week for the various areas of the city by Mayor John V. Howard Jr. In a proclamation issued this week he stresses the importance of cleaning the yards of residences and around businesses to prevent disease and remove fire hazards.

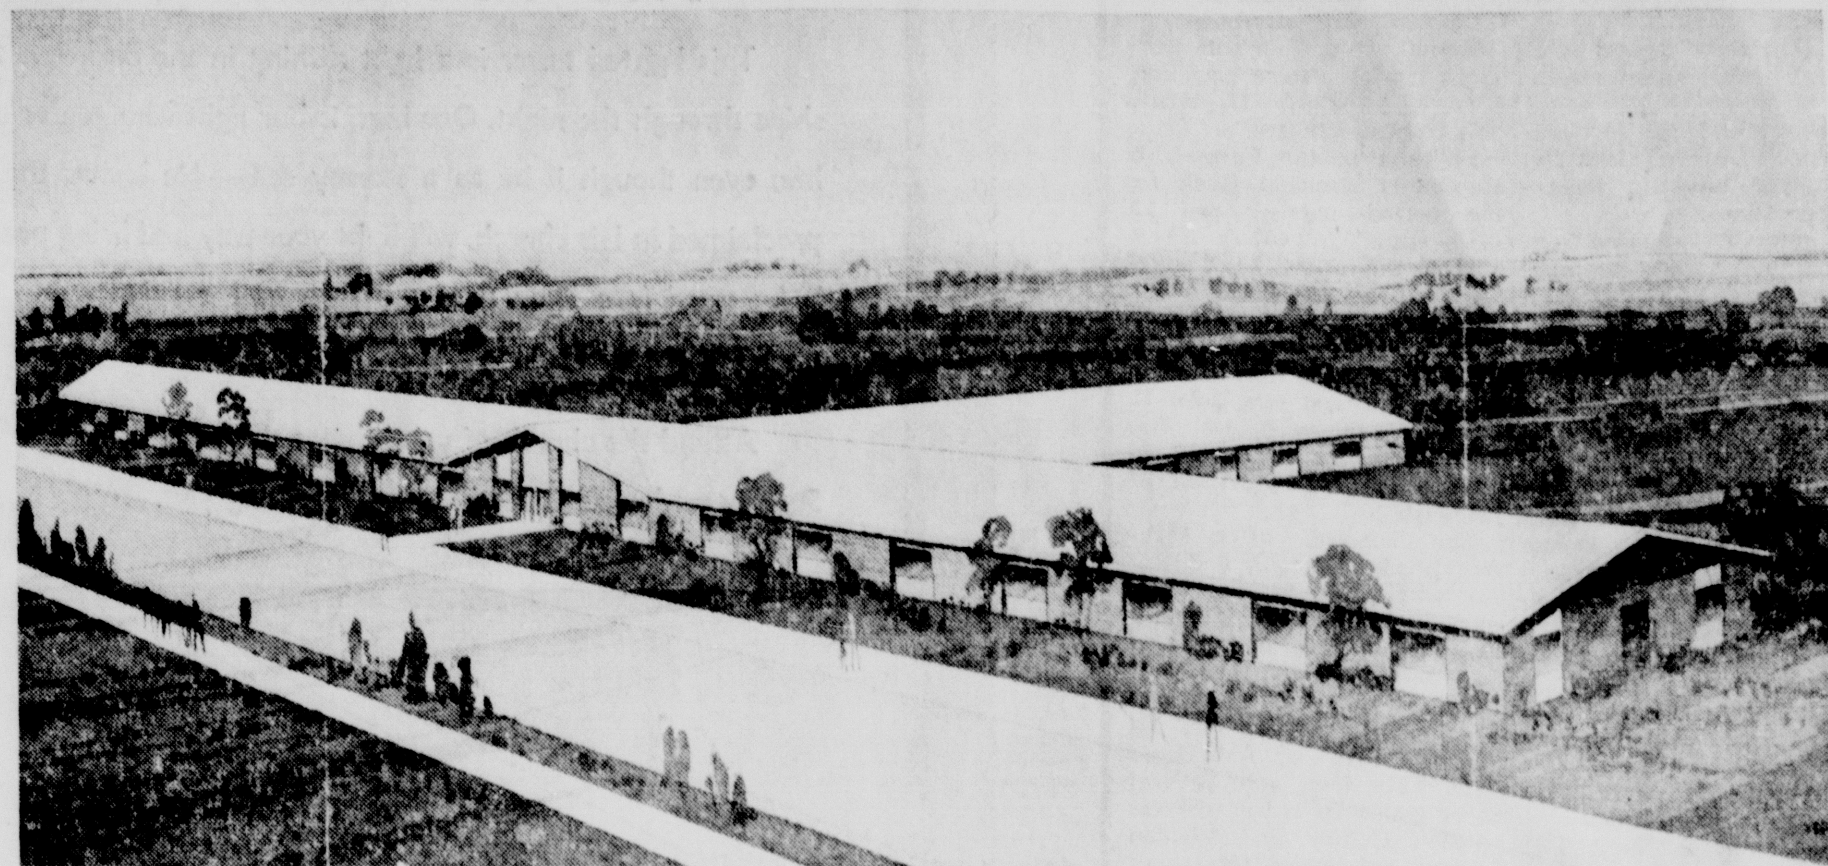

Special arrangements have been made for the sanitation department to man extra trucks the week following the clean-up to carry off rubbish and trash.

The trucks will start the pick-up on Monday, May 13 and continue through that week.

Cemetery Working

The annual Fairview Cemetery working will be held on the first Saturday of next month, which will be May 4.

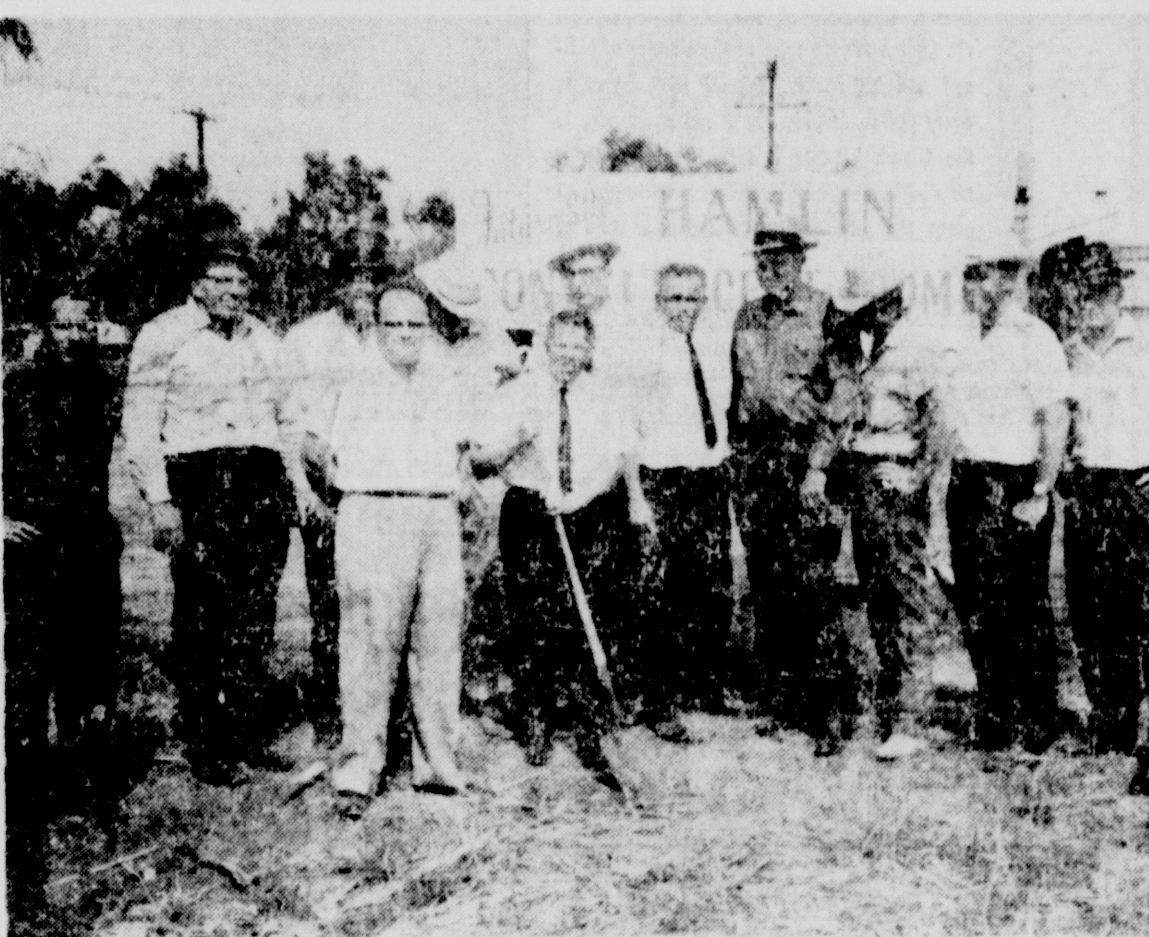

Those who can are urged to attend and anyone desiring to send donations should address them to J. W. Apperson, Rt. 2, Stamford, Texas.

HAMLIN CONVALESCENT CENTER BEING BUILT HERE—The above picture is the architect's drawing of the nursing home being built here. The home will be operated by Hamlin Convalescent Center, Inc., with Elven W. Watkins Jr. as executive vice president. The completely modern facility will be able to serve a maximum of 87 persons.

The "T" shaped, brick-veneer construction will contain 14,000 square feet of floor space at a cost of around \$200,000 for the building and equipment. Plans call for the completion of the Center by the latter part of June. A huge color drawing of the Center is now on display in the lobby of the Farmers and Merchants National Bank.

Ground Broken Here Monday For \$200,000 Nursing Home

GROUND BREAKING CEREMONIES HERE MONDAY—The official beginning of the Hamlin Convalescent Center took place here Monday with ground breaking ceremonies at 3 p.m. The site for the new structure is on the east side of Southwest Ave. F between Fourth and Fifth Streets. Pictured in front are Mayor John V. Howard Jr., left, and Elven W. Watkins Jr., right, executive vice president of the corporation building the Center. Others in the picture are left to right, back row, Dewey Nunley, Joe Hudspeth, C. L. Howard, Dickie Ferguson, Dick Dickenson of Snyder who will be the administrator, Jack Goodman of G & G Construction Co., Lubbock, who is in charge of the construction of the building, E. J. Whaley, Fred B. Moore Jr., Robert Fowler and Joe Ford.

JUNIOR PLAY SET TUESDAY NIGHT

The Junior Class will present "Terror in the Suburbs" here Tuesday night at 8:00 in the high school auditorium.

Tickets are being sold by all Junior students and will also be sold at the door.

First Baptist Junior Choir to Sing in State Competition

Members of the Junior Choir of the First Baptist Church, directed by S. L. Tate, will participate in the State Junior Choir Festival in Wichita Falls Saturday. They are scheduled to sing at 9:30 a.m.

A superior rating was given to the group after their performance at the district festival in Abilene, thus making them eligible to compete on the state level.

The local group will be one of six choirs participating. There are about thirty youngsters planning to make the trip.

Mr. and Mrs. Jess Miller spent last week in Borger with their daughter and family. Mr. and Mrs. B. H. Winters. They spent one night with Mrs. Miller's nephew and wife, Mr. and Mrs. Wendell Fannin, in Amarillo.

TWO SESSIONS PLANNED FOR CHARITY BRIDGE TOURNAMENT

The Duplicate bridge tournament, to be sponsored by the Hamlin Duplicate Bridge Club, will be held in the primary cafeteria Saturday and is a part of the American Contract Bridge League's 1962-63 Charity Program.

Sessions will begin at 1:30 and 7:30 p.m. with Mrs. Mable Lellious of Abilene as director. Entry fee for the tournament, which is open to the public, is \$2.00 per person each session and is tax deductible. Dinner will be served at 6 p.m. for \$1.00 per plate.

The club is championship rated and all bridge players in the area may participate, whether or not they have ever played duplicate bridge.

For the convenience of out of town guests, signs will be posted to direct them to the cafeteria.

Proceeds of the tournament will go to the American Contract Bridge League Charity Program's two designated beneficiaries, the Institute of Leprosy and the National Multiple Sclerosis Society. The Hamlin Duplicate Bridge Club is one of over 4,000 American Contract Bridge League affiliates.

Another meeting will be held Monday at 8 p.m. in the Hamlin BCD office for election of officers. Also anyone interested in contracting for the operation of the swimming pool may appear before the Foundation at this time.

A dream of over a year and a half on the part of the Hamlin Board of Community Development was started on the way to reality here Monday as ground breaking ceremonies were held for the construction of the Hamlin Convalescent Center, a \$200,000, 14,000 square foot, nursing home.

Construction of the Center, located on S. W. Ave. F, between Fourth and Fifth streets, is now underway and it is expected to be in operation by the latter part of June. The privately financed nursing home will have maximum capacity of 87 patients according to E. J. Whaley, co-chairman of the BCD committee that has been successful in securing the location of the home here. He said it will be the first operation of its type between Fort Worth and Lubbock and probably as modern as any in the state.

The Center is being constructed by G & G Construction Company of Lubbock and will be operated by the Hamlin Convalescent Center, Inc., with Elven W. Watkins Jr. as executive vice president. Mr. Watkins is associated with the University Convalescent Center in Lubbock and is experienced in the design, construction, and operation of convalescent homes over the state.

The BCD committee, with Whaley, Robert Fowler and Floyd Clifton as co-chairmen, and Gene Prewitt, Joe Hudspeth, Fred B. Moore Jr., James Rogers, J. C. Turner, C. L. Howard, and Dickie Ferguson as committeemen, has been working on the rest home project for over a year and a half and has checked into every means of securing a home of this type for Hamlin. As spokesman for the group, Whaley said that they selected this organization to build here was that their first concern in planning and designing of the rest home was for the patients' comfort and welfare.

The center has been approved by the Texas Department of Health as a Grade III nursing home under the Kerr-Mills Vendor Medical Payment program, which is the highest grade licensed by the state. The Center will be equipped to handle adults who need only limited care as well as those who are completely invalid. It will offer care for long-term convalescent patients, retired people, invalids, and the handicapped. With physical therapy treatment and occupational therapy, it will offer a complete service of rehabilitation for adult patients in this area.

Monday Night on Swimming Pool

At a meeting Tuesday night of the Hamlin Foundation, which is composed of representatives of the 16 civic organizations, plans were discussed for the operation of the local swimming pool and a nominating committee was named by James Josey, president.

Seven representatives from the local clubs were present. Named to the nominating committee were Gene Prewitt, Bill Harrison and Jake Weir.

While being quilled for the care of patients under the Kerr-Mills program the Center will also be open to anyone with their own financing.

The "T" shaped, brick-veneer structure will be of fire resistant construction and

will have year-round air conditioning. The front of the building will be 264 feet long and by the time it is completely finished will cost in the excess of \$200,000 to construct and equip.

The Center will be operated under the supervision of Bert Dickerson of Snyder who will be the administrator. He is the owner and operator of the Snyder Hospital with 13 years experience in the operation of hospitals and nursing homes. Dickerson will continue to live in Snyder and divide his time between the operations.

A local assistant to Mr. Dickerson will be hired to serve as local manager. The Center is expected to employ in the neighborhood of 30 people in the operation.

The Center is designed and decorated to give a home-like atmosphere and will be furnished in Danish Modern. Showplace of the home will be the guest lobby with carpeted floor, wood-burning fireplace, library and television set. The lobby will overlook a fenced-in patio.

Other features of the home will be a dining and recreational area, game room, beauty and barber shop, physical therapy center equipped with hydraulic lifts, both bath and shower facilities with equipment for wheel chair and stretcher patients, and big eight foot hallways.

Each room will be equipped with decorator-type hospital beds, built-in lavatory and dressing tables, television outlets and individual toilet facilities. There will be some private rooms available.

The Center will be staffed with a Registered Nurse at all times and patients will be able to receive professional medical nursing care under orders of their own doctor. A nursing call system with lights and voice communication will be installed.

The modern-equipped kitchen with walk-in refrigerator and freezer will be able to handle special diets as well as offer a well-balanced menu.

Mr. Watkins stated that the Center is designed for future expansion to meet the needs of this area.

Merkel Man Named Manager Here

Robert L. Curtis, formerly of Merkel, is the new general manager of Connally Ford Sales, according to Charles Connally, owner. Curtis assumed the responsibilities of the position Monday. He has been associated with Ford dealerships for nine years.

He and his wife, Joan, have three children, Beckie, 7, Keith, 5, and David, 3. They are members of the Presbyterian Church.

Mr. and Mrs. Curtis are both natives of Anson.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin.— Scandal has struck again in Texas. This time on the Railroad Commission.

Revelation by the Dallas Morning News that Commissioner William J. Murray had grossed some \$285,000 from oil investments in earnings from a Tockmorton County lease caused the commissioner to resign his post.

Question was a matter of ethics. . . whether or not it was proper for a public official to make investments in an industry over which he exercised control, in whole or in part. Murray's answer was that he grew up in the oil fields, was educated in petroleum engineering and it was the only business in which he had any practical experience.

He admitted his investments and pointed out that they were a matter of record, in his own name, and he had nothing to hide. He stated that he resigned his post as a commissioner member because he felt that "harmful publicity" might lessen his effectiveness.

Murray hinted that the investigation into his past invest-

ments was prompted by his refusal to call off the East Texas slant-hole, well-drilling investigations, in which he played an active part.

Murray's attorney, Les Proctor submitted the former RR commissioner's personal financial records to Travis County District Attorney Tom Blackwell for checking. They are being examined by Blackwell, Atty. Gen. Waggoner Carr and State Auditor C. H. Cavness.

State law provides for removal from office of any public official violating the Code of Ethics. Since Murray resigned that question has become moot. All that remains is the matter of determining whether any civil or criminal statute has been violated.

Proctor says none has been. Resignation Accepted— Gov. John Connally accepted Murray's resignation with the comment that "It is regrettable for all of Texas that documented facts made public within the past few days indicated a question of propriety of legality of his outside business transactions in view of his position of authority on the commission."

"Public officials have a sacred public trust. It is imperative to continued confidence in our form of government that their conduct in office be beyond a shadow of a doubt. Anything else undermines the con-

fidence of the people in responsibility and integrity in government."

Investigation Proposed— In the House of Representatives, Rep. George Hinson of Mineola introduced a resolution asking for a thorough study of the sweeping powers of the Railroad Commission by the Texas Legislative Council.

Resolution received prompt committee approval and was sent immediately to the House floor.

Rep. Bob Eckhart of Houston gained permission of the House to introduce a bill to tighten regulations prohibiting public officials from participating in any private enterprises which might be in conflict with their public duty.

Eckhart said his bill would amend the Code of Ethics and clarify it. It also would include a section providing that no public official of member of the Legislature could appear before any state board or commission where the official had private interests that might be affected by the agency's action.

House Probers — House State Affairs Committee recommended adoption of a resolution by Rep. Rufus Kilpatrick of Beaumont that would establish a general investigating committee. Normally one acts only between sessions of the Legislature.

Rep. Ben Jarvis of Tyler said Speaker Byron Tunnell is interested in fast action on the Kilpatrick resolution, which would give the investigating committee broad authority.

Rep. Horace Houston, Republican member from Dallas, opposed the resolution and asked for a postponement to study it. He said he once served on such a committee, and "nogood has come from general committee investigations." Later Houston changed this statement and agreed that investigating committees

do "throw a white light into some dark shadows."

Appropriations — A record \$3,100,000,000 spending program — the general appropriation for the biennium — went to a conference committee following rejection by the House of Senate amendments.

Highlights continued — Motion not to concur in Senate changes was made by Rep. W. S. Heatley of Paducah, chairman of the House Appropriations Committee.

More Taxes — Some \$43,000,000 in additional revenue would be gained during the next two years by adoption of a House Revenue and Taxation Committee substitute for House Bill 106.

Rep. R. H. Cory of Victoria, chairman of the subcommittee that revised the proposed tax law to comply with Governor Connally's program, said the bill as now drawn would incorporate a one-year extension of the state franchise tax to April 30, 1965. This would net the state 11,200,000. Repeal of the exemption of outer clothing under \$10 would get \$20,400,000. Bringing motor vehicles under the sales tax would provide \$6,100,000. Other minor changes would round up additional millions.

Lending — All Texans were invited to appear and testify about the so-called "loan shark" legislation.

Enough Texans accepted to make it a three-hour session with the House Banks and Banking Committee. There were two major points of disagreement. One—the insurance provisions of Senate Bill 15 (passed by the Senate). And two—the maximum loan to be under the act, and thus be 100% interest.

Witness representing the insurance companies generally protested that the new commissioner, to be called for under the act, would have too much power. Especially over rates.

On the maximum loan proposition, opinions varied widely. Bill specifies \$1,500. Some witnesses would like to lower it to \$300. Others thought it should be raised to \$3,000 or more.

Women's Rights — Legislation to provide equal rights for women is in this status: Senate Joint Resolution No. 2, which is what the women want, has passed the Senate. It was heard by the House Constitutional Amendments Committee and sent to a subcommittee.

If the resolutions gets through the Legislature, it will have cleared perhaps its biggest hurdle. Next step calls for passage of a constitutional amendment by vote of the people. Amendments usually require public approval.

However, even after that, all questions of woman's rights would not be defined. A good bit of legislation still would be required.

Former Attorney General Will Wilson, in testimony before the House committee, said that the amendment is passed, "The Legislature will have its work cut for it in the next session."

Short, Short Snorts — House has passed a bill to force most state agencies to sell their "executive-type" airplanes. Bill now goes to the Senate.

Biggest crowd of the legislative session came to a session of the House Game and Fish Committee, which lasted five hours. The proposition: to close all Gulf Coast bays to netting. Result: subcommittee.

Another measure affecting the Gulf Coast was a bill introduced by Rep. Leroy Wieting of Portland, setting in motion a "pilot program" of regulation by the Texas Game and Fish Commission over wildlife resources in Aransas County. It might have far-reaching effects, giving the commission authority to fix seasons on game birds, game animals and fresh and salt water fish and shellfish, excluding shrimp.

Study Club Wins Several Awards At Convention

Mrs. Dale Lain, president of the Fifty-Two Study Club, and two members, Mrs. J. E. McCoy Jr. and Mrs. Jack Vaughan, attended the third annual Mesquite District Convention in Graham Friday and Saturday.

Awards earned by the club included press book—excellent rating; yearbook—first place; 100% Texas Clubwoman award; Public Affairs Department; Law observance and crime prevention, first place; Veterans, second place; Overall department report, first place; and club ethics, first place.

Although there were no representatives from the Woman's Literary Club attending the meeting they received the following awards: Texas Heritage Department; Cattle brands and ranch stories—second place; Texas Art, Music and Literature, first place; overall department report—tied for second place; and conservation—overall report, first place.

Mrs. Rackley Honored Tuesday With Gift Tea

Mrs. Sammy Rackley, the former Phyllis Hollis, was honored Tuesday evening with a gift tea in the home of Mrs. James E. Harrison. The couple was married April 20 in the Foursquare Church.

Guests were received by Mrs. Harrison, the honoree, Mrs. S. C. Hollis, mother of the honoree, and Mrs. Martin Rackley, mother of the bridegroom.

The table was covered with a white cutwork cloth. The centerpiece arrangement was of white stock and red carnations. Chrystal appointments completed the table decor. Floral arrangements in the gift rooms carried out the red and white color scheme, chosen by the honoree.

Hostesses were Mrs. Harrison with Mrs. John Kent Jones, L. L. Skaggs, L. Woodruff, Monroe Tabb, Cecil Sellers, Carl Green, Donnie Sanderlin, Bill Davis and Donald Young.

Date Set for Jones County H-D Rally Day by Council

Tentative date for the Rally Day program of the Home Demonstration Clubs of Jones County was set for Friday, June 28, at the April 17 meeting of the Jones County Home Demonstration Council. The Rally Day will be held in the Oil Mill Guest House.

The Council met in the office of the County Agent, Mrs. B. V. Newberry. Mrs. Elmer Joiner, chairman of the Hamlin Good Neighbor's Club, presided. Eighteen members representing ten clubs and three visitors were present.

Club reports were given and an announcement concerning the Council's preparing a booth for the Abilene Fair was made.

Two representatives from each club will attend a training lesson on re-silvering mirrors and finishing picture frames at Sweeney Glass Company in Abilene May 2.

Bridge Winners

Tallies of the Hamlin Duplicate Bridge Club meeting Tuesday evening placed first the twosome of Mrs. Harry Yates of Stamford and Mrs. W. O. Wilbanks; second, Mrs. Grady Bowdry of Stamford and Gene Unader; third, Harry Yates and Mrs. Floyd Bristoe.

The next meeting will be at 7:30 p.m. Tuesday in the Oil Mill Guest House.

Faith Methodist WSCS Meets with Mrs. Fred Brown

A business meeting of the Woman's Society of Christian Service of the Faith Methodist Church was held in the home of Mrs. Fred Brown Monday evening.

The session, presided over by Mrs. John Barnett, president, included the election of new officers and various items of business were discussed pertaining to the closing of the year.

Mrs. Brown will direct the program for the regular monthly meeting in May.

Mrs. E. M. Wilson Hosts Jones Circle

Mrs. E. M. Wilson was hostess for the meeting of the Jones Circle, Woman's Society of Christian Service of the First Methodist Church, Monday afternoon.

Mrs. L. H. McBride was leader for the mission program, assisted by Mrs. Fred Carpenter and Mrs. Holly Toler.

Mrs. C. D. Jones, circle chairman, presided during the business session.

Ta-Wan-Ka Group Elects Officers

The Ta-Wan-Ka Camp Fire Girls re-elected officers at the regular meeting on April 9.

They were elected as follows: Janis Crouch, president; Rochelle Kincaid, vice president; Jana Ferguson, treasurer; Jan Young, scribe.

They enjoyed a cookout April 11 at Frog Park on the Johnson Farm south of town. About 20 persons were present at the cookout.

Special Care Called For in Freezing Cream Pies

It takes a special recipe and special handling to come up with a good cream pie that can be frozen and stored successfully, says Mary Y. Newberry, Jones County Home Demonstration Agent.

Research home economists at Texas Technological College, Lubbock, in cooperation with food and nutrition specialists of the Texas Agricultural Extension Service at Texas A&M College, have come up with a special way to make cream pies so that the filling doesn't separate, get grainy, lumpy or spongy, and the crust remains flaky.

Cornstarch, the researchers find, is the most acceptable starch to use in the filling of a cream pie that's going into the freezer. And you get best results if you freeze the pie filling and shell separately, then combine the two when ready for use or use the frozen filling in a freshly baked crust.

Bake the shell on the outside of the pan, then remove, wrap and freeze. The filling may be frozen on the inside of the same size pan then removed and wrapped. Raw egg whites may be baked in the frozen cream pie.

Hamlinite's Son-In-Law Retiring from Air Force

Lieutenant Colonel Edward W. Rubin of Bryan, has retired from the United States Air Force after 21 years active duty.

Colonel Rubin was assigned to the 3365th Maintenance and Supply Group here as chief of supply. Prior to this assignment, he served as base supply officer at Phalsbourg AB, France.

The Colonel, who is a pilot, served in World War II in the Central Pacific and is credited with flying 42 missions in B-24 aircraft. He later served overseas in Germany, South Viet Nam and in France. Among his decorations are the Distinguished Flying Cross the Air Medal and the Air Force Commendation Medal.

He is the son of Mr. and Mrs. Frank J. Rubin Sr. of Rt. 1, Hearne. The colonel attended Stephen F. Austin High School and Texas A & M College.

His wife is the former Leota Bailey, daughter of Louis Bailey of Hamlin.

Colonel Rubin and his family will reside at 2500 Wayside Drive in Bryan. He plans to resume studies at Texas A&M.

Carl Akeley, the American explorer, was buried on Mount Mileno in Belgian Congo, Africa.

Herald to Publish Children's Pictures

It is an undisputed fact that the responsibilities of tomorrow's world our nation and community will rest upon the shoulders of the children of today. Since this is true, the publisher of this newspaper would like to give you a look at these future "World Builders."

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work will be here Thursday, May 2.

Pictures will be taken at the White Plaza Hotel from 1 p.m. to 6 p.m.

There is no charge to the parents. There are absolutely no strings to this invitation. It is a bonafide in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement with the studio representative when they select the pose they want printed in the paper. It is entirely up to them.

A weekly public service feature from
the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Last summer a four-year old boy died of rabies in Texas. Although, there was no history of an animal bite, circumstances pointed to the possibility that he was bitten by a puppy or dog.

There was no doubt that rabies was the cause of death. The case was diagnosed clinically and confirmed by the State Department of Health Laboratory.

Dramatically, rabies is still very much a fact in Texas, when viewed in the misery which surrounds the death of a small boy—to his family, friends and even to public health veterinarians and record keepers.

The fact is that rabies, although changing in complexion, was laboratory-diagnosed in 124 Texas counties during 1962.

The total number of cases, while down from the previous year's 658 cases, reflects an increase in the number of rabid domestic animals other than pets.

A few years ago pets accounted for the majority of cases. Today, wildlife rabies outstrips the disease among pets and domestic animals by far. Skunks continue to lead the statistical columns, but

each year bats are diagnose as rabid.

Diagnostic evidence indicates that animals rabies is present in approximately half of the counties in Texas. The widespread distribution probably means that at least wildlife rabies occurs in most of the other Texas counties as well.

In counties which do show some rabies, past experience points to the fact that an undercurrent of wildlife rabies is even present.

What this means to the man-on-the street is that rabies is a constant threat in most areas of Texas. With the growing sprawl of suburbia into formerly wild areas, it is only natural that pets may be readily exposed to wildlife.

Anti-rabies vaccination of all pets is the surest protection against the disease.

Through this cable
flows power for progress

A literal web of cables strung on highlines tie together all the communities we serve. Through these cables flow the electricity to light the darkness, to relieve housewives of home-making drudgery, to turn the wheels of industry, and to perform countless other tasks economically and continuously.

Because our service area is the center of one of the Nation's fastest growing regions, we are engaged in a long range program of expansion. Generating and distribution facilities are being enlarged to serve more people, more businesses, more industry.

That is why our product — electricity — is not only the power FOR progress, it is a symbol OF progress here in the Center of the Southwest.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Another week has gone by without any rain or change in the weather, still hot and dry. Although there is quite a few pretty little fields of maize up to a good stand, despite the wind and sand. Wheat was helped by the small rain a few weeks ago, it looks as if it might make about half a crop this year, although you get fooled pretty badly some times in this country, it turns out better than it looks, and often times worse.

Mr. Joe Ford was in the hospital last week but is home now and feeling better.

Since grand children are always big news to us, the big news to Mr. and Mrs. Flavel Holmes this Monday morning is a little grand daughter, born Sunday, April 21, to Mr. and Mrs. Jimmy Holmes of Midland. Weighing in at five pounds and fourteen ounces, the little miss had not been named at last report. She was a very obdiding little lady, since Mr. and Mrs. Holmes went to Midland Saturday and she chose Sunday, while they were there, to make her appearance. Mrs. Holmes will return to Midland Wednesday to help care for the new mother and baby.

Visitors in church Sunday morning with Mr. and Mrs. Bill Johnson, were his grand parents, Mr. and Mrs. Suddeth of Ranger and Ed Suddeth of Fort Hood.

Mr. and Mrs. D. T. Downey and daughter, Ft. Worth, Mr. and Mrs. J. D. King, Midland, spent Saturday night with their sister, Mr. and Mrs. Fred Rosenbaum. Sunday they all attended the annual reunion at Neinda, the Downey family having spent many years in that community.

Mr. and Mrs. Roy Taylor, Muleshoe, visited awhile with the Elmer Joiners last Monday afternoon. They have their cabin built on the new lake near Breckenridge, and had their truck loaded with furnishings for it, coming by to pick up some things the Joiners had donated them. All they need now is some water in the lake, so they can go down there and stay.

Mr. and Mrs. Henry had as visitors last Sunday and Monday, a niece, Mr. and Mrs. Tom Ingram and three children, Petersburg.

Mr. and Mrs. Mel Jones went to Stamford Saturday morning to visit Mr. G. W. Wainwright, then Sunday afternoon they went back to Stamford to visit his brother, Mr. and Mrs. Newman Jones.

Saturday night, Mr. and Mrs. Jack Wicker and girls, Mr. and Mrs. Woodrow Goodwin and Linda, all took supper out to the Hamlin park for a picnic.

Mr. and Mrs. Winson Gray are driving a new Bel-Air Chevrolet.

Mr. and Mrs. Elmer Joiner went to Lubbock Thursday to visit with Mr. and Mrs. Henry Kee and their daughter, Mrs. Delbert Martindale and boys.

It has been announced that there will be a singing at the recreation center at Tuxedo, which is the old school auditorium, next Saturday night, featuring the Stamps Quartet, Baize brothers string band, and group singing. No admission will be charged, only the hat passed.

Rev. and Mrs. Derrel Lewis and children went to Lubbock Saturday and returned Sunday morning. They visited her mother, Mrs. Ray.

Mr. and Mrs. Winson Gray attended the revival at the North Central Avenue Baptist Church Saturday night.

Mrs. Elmer Joiner and Mrs. Woodrow Goodwin went with the Home Demonstration clubs of Jones County Friday afternoon to Abilene to Waldrop's Furniture Store, for the program on interior decorating. The staff of the store put the program on, served refreshments and conducted a tour of the store. To conclude it all they took care of the parking tickets in showcase square, for the ladies attending.

Mrs. Jimmy Joiner and children visited with Mr. and Mrs. Elmer Joiner last Tuesday night, while Jimmy went to Hamlin and did some work at the newly remodeled city hall.

Suzann Wicker spent last Friday night with Linda Goodwin.

Rev. and Mrs. Derrel Lewis and children took lunch with Mr. and Mrs. George Wainwright and Jimmy Sunday.

We are glad to see George Wainwright feeling good enough again to be in church Sunday. His father, Mr. Wainwright, is reported to be a little stronger, although still in the hospital.

We have no news on our coons this week, they behaved very nicely this Sunday.

72-Hole Tourney Planned by Golf Club May 10, 11, 12

The Lakeview Golf Course will host an invitational golf tournament May 10-11 and 12.

The tournament will be a 72 hole match play, sixteen man fields. Entry fee is \$10.00. Qualifying scores must be in by 6 p.m. May 10 except for the championship flight. Anyone entering may call SP 4-1026 or write Lakeview Golf Course, Hamlin.

The winners of the first, second and consolation places in each flight will receive golf equipment.

A block off the old chip

Today's kids are taller, stronger, healthier than ever before. Midwest Electric Cooperative, to a great extent, is responsible for this phenomena.

In bringing rural electrification to a nine county area Midwest Electric has provided refrigeration, controlled heating and air conditioning, running water for indoor plumbing and modern conveniences for rural schools.

The member-owners of Midwest Electric pioneered rural electrification in this area. They borrowed money at interest and built their own electric system.

So if you find yourself "Looking Up" to your children, blame Midwest Electric Cooperative for providing a healthier, happier, better way of life through rural electrification.

LEGAL NOTICE

AN ORDINANCE REGULATING the construction and maintenance of private toilets and privies: providing for the sanitary disposal of human excreta; providing a penalty: repealing all ordinances in conflict herewith: and containing a saving clause.

BE IT ORDAINED BY THE by the Commissioners of the City of Hamlin, Texas:

Section 1. That it shall be unlawful to permit, maintain or use any ground lot, yard, residence, place of business, or other place or building within the corporate limits of the City of Hamlin where persons reside, congregate or are employed which is not provided with means for the disposal of human excreta, either by flush toilet connected with a sewerage system, approved by the State Department of Health, or a privy which meets the requirements of construction and maintenance hereinafter described.

Section 2. Every residence, place of business, or other building or place where persons reside, congregate, or are employed which abuts a street or alley in which there is a public sanitary sewer, or which is within 200 feet of a public sanitary sewer, shall be connected to the sewer by the owner or agent of the premises, in the most direct manner possible, and with a separate connection for each home, building or place. Each connection and each fixture emptying through the connection shall be installed in the manner prescribed by the plumbing code of the City of Hamlin, Texas.

Section 3. Every residence, place of business or other building or place where persons reside, congregate or are employed, and which does not abut a street or alley in which there is a public sanitary sewer, or which is not within 200 feet of a public sanitary sewer, shall be provided with a private water-flush toilet, or a privy, to be built or rebuilt, constructed and maintained in such a manner as to meet the following requirements of construction and maintenance.

PRIVATE SEWER SYSTEM:
1. At any residence, place of business, or other place or building where there is installed a water-flush system of excreta disposal which is not connected to a public sewer system approved by the State Department of Health, and where the customary users do not exceed 25 in number, there shall also be established or installed a private sewage disposal plant, said disposal plant to consist of a septic tank and a system of underground drains for the disposal of the tank effluent. Said tank and drains shall be so constructed as to meet the requirements of construction and maintenance hereinafter described.

(a) Septic tanks.—The sizes of septic tanks shall be as follows:

The minimum size shall be 300 gallons sewage capacity, and where more than six people are to be served, the tank shall be increased in sewage capacity at the ratio of 50 gallons increase in sewage capacity per capita. Septic tanks shall have removable lids, or covered manholes of sufficient size to allow cleaning of tanks.

(b) Sufficient open jointed tile drain shall be provided and the construction shall be such that sewage shall at no time flow over the top of the ground. Thirty feet of drain per person shall be recognized as a minimum. Drain tile shall be laid to a grade not exceeding 3 inches per hundred feet, and shall be perfectly laid to a grade of 1 inch per hundred feet.

(c) Drain line trenches shall be not less than one foot in width, and not greater than two feet in depth. The drain lines shall be laid on a 4 inch bed of crushed stone or clean gravel covering the full width of the trench and mounded up over the top of the tile. Tile joints shall be covered with tar paper or equal to prevent dirt from settling into the joints. The backfilling of the trench shall provide an earth covering of 10 inches for the tile at all points.

2. At any residence, place of business, or other building or place where there is installed a water flush system of excreta disposal which is not connected to a public sewer system approved by the State Department of Health, and where the customary users exceed 25 in

number, there shall also be established or installed a private sewage disposal plant, the plans and construction of which, in each separate case, shall be approved by the State Department of Health. Each fixture connected to any private sewage disposal plant, and all piping and appurtenances thereto, shall be installed as prescribed by the plumbing code of the City of Hamlin, Texas.

PIT PRIVY:

1. Where at any time there shall be established or installed a pit privy, said pit privy shall be so constructed, built or rebuilt that:

(a) The excreta deposited therein shall not fall upon the surface of the ground but shall enter into a vault or pit in the ground.

(b) The contents of said vault shall be at all times inaccessible to flies, mosquitoes, fowls, or small animals.

(c) The pit, vault, or compartment, together with the floor, riser, seat and other portions of the building, shall as a unit, prevent the entrance of either rain or surface water into the pit below.

2. There shall be deemed to be compliance with the requirements of the above portion of part B SECTION III, when the following conditions exist:

(a) Pit—Minimum dimensions:
Length, breadth: 3 feet 6 inches.

Depth, from original ground surface, 5 feet.
A box cribbing shall extend from the bottom of the pit to a distance of two inches above the original ground surface.

(b) Collar or Sill:
Around the pit, and clearing the cribbing by a distance of one inch shall be placed reinforced concrete collar or sill not less than four inches thick and five inches wide; said sill to be cast monolithic, or in one piece.

(c) Floor and riser:
Upon the sill or collar shall be placed the floor and riser, which shall be substantial reinforced concrete slab 4 feet by 4 feet with bolts set in the concrete for bolting the house and the seat to said slab.

(d) Mount:
From the top edge of the slab a well tamped mound shall be constructed tapering from the edge of the slab to the original ground surface at a distance of not less than 18 inches from the slab.

(e) Seat and lid:
The seat shall be constructed of a good grade of wood, 2 inches thick. There shall be an opening at the back of the seat for a four inch galvanized iron vent pipe, which shall be screened at both ends with 16 mesh copper wire screen. The vent pipe shall extend to a height of not less than eight inches above the roof, and shall be provided with a metal cap to prevent the entrance of rain, or the light of day. The seat shall be grouted to the riser so that no cracks exist which will permit the entrance or exit of flies or mosquitoes. The seat shall be provided with a self-closing lid. A device shall be used which will maintain the lid in an open position when the toilet is being used, but which will automatically close the lid when the door is opened for exit from the toilet.

(f) The house shall be four feet square, 5 feet 6 inches high in the back, and 6 feet 6 inches high in front, and shall be provided with a shed roof. The building shall be ventilated on each side just under the roof. The roof shall extend five inches in front and 15 inches behind and 9 inches on each side.

Section 4. Should any defect occur in the privy which would cause it in any way to fail to meet the requirements as provided above, the defect shall be immediately corrected by the owner or agent of the premises on which the defect has occurred, unless the defect shall be caused by neglect, destructiveness on the part of the occupant of the premises on which the defect has occurred, or through his agent, in which case the occupant, of the premises on which the defect has occurred, shall be immediately corrected by the owner or agent of the premises on which the defect has occurred.

Section 5. Any privy or private sewer existing or being maintained which does not conform to the requirements of this Ordinance, shall be, and is declared a nuisance, dangerous and a menace to public health, and the City of Hamlin, Texas, shall have the power and authority to abate any such nuisance in accordance with law.

COTTON PLANTS EXTRACTS REPEL AND ATTRACT BOLL WEEVILS

Scientists of the U. S. Department of Agriculture have

sary in the enforcement of this Ordinance.

Section 8. Any person, firm, or corporation who violates or refuses or fails to comply with any of the provisions of this Ordinance shall be guilty of a misdemeanor, and shall be punished by a fine of not less than \$5.00 nor more than \$100.00.

Section 9. Every Section of this Ordinance and every provision of each section is hereby declared to be an individual section or provision, and the holding of any Section or provision of any Section to be void, ineffective or un-constitutional for any cause whatsoever shall not be deemed to affect any other Section or provision thereof.

Section 10. All Ordinances or parts of Ordinances in conflict herewith shall be and are hereby repealed.

Section 11. This Ordinance shall be cumulative of laws of the State of Texas.

Section 12. WHEREAS: an emergency is apparent for the immediate preservation of order, good government and public safety that requires this Ordinance to become effective at once; therefore, upon the passage of this Ordinance by a majority vote it shall be effective from and after the date of its passage.

PASSED AND APPROVED, this 5th day of April 1963.

John V. Howard, Jr., Mayor
Attest: Mrs. H. M. Barrow, Secretary 27-1c

extracted from the cotton plant a substance that repels boll weevils. It is the third substance extracted from the cotton plant which potential value for controlling the most destructive of all cotton insects, the boll weevil.

The first substances were an attractant that draws weevils to cotton plants and a feeding stimulant which makes the plant appetizing to the insects, found by scientists of USDA's Agricultural Experiment station at the Boll Weevil Research Laboratory, State College, Miss.

The repellent was discovered in connection with work with the attractant. When the attractant was warmed to room temperature, part of it vaporized or degraded. The part remaining proved repellent to boll weevils. A procedure was then developed for extracting the repellent from cotton squares (flower buds) and seedlings, the same parts of the plant containing the attractant.

The scientists listed these possibilities for the substances. Plantbreeders could conceivably develop cotton varieties either with a high content of the repellent so plants would repel weevils or with such a low content of the attractant that the plants would not attract weevils.

The discovery also introduces the prospect of starving boll weevils by driving them away from the kind of food they need. In laboratory tests, weevils were kept away from

cotton squares, bolls and seedlings for 5 to 12 hours even when they had no other food to eat. When other food was available, the weevils left the treated plant parts untouched for 36 hours.

Other possible uses for the attractant included the luring

Heart O' Texas Singers to Meet

The annual Heart O' Texas Singers Reunion will meet Saturday night and Sunday, April 27-28, in the high school auditorium at Brady, according to Mrs. A. C. Stewart, president of the organization.

A concert by visiting quartets will be given Saturday night beginning at 8 o'clock. Four outstanding quartets and many other groups will be on hand to entertain.

The doors will be open Sunday morning to the public for the all-day singing, which will include class singing and also quartet singing until 4 p.m.

Lunch will be served at the school cafeteria. Mrs. Stewart cordially invites everyone to attend.

Free Fish Fry

There will be a "Free Fish Fry" at Abilene's Fisharama on Lake Ft. Phantom Wednesday, May 1, from 6 to 7:30 p.m.

Mr. and Mrs. John L. Williams, owners and operators, extend an invitation to all fishermen of the area.

The fish fry is in celebration of the Williams' fourth anniversary at the Fisharama.

of weevils to a trap or simply to an area away from the cotton plants. The feeding stimulant does not attract weevils from a distant, but offers the possibility of forcing them to starve on the wrong kind of food. Research is continuing on the substances and cotton strains are being checked for their content of them.

Jones County 4-H Entering District

Jones County 4-H Club members will enter eight different demonstrations in the Extension District III 4-H Demonstration Contest at the Mid-Western University in Wichita Falls, on Saturday, April 27. The contest will start at 9:30 a.m. and results will be announced at 2 p.m.

COMMUNITY

It was reported by some (one or two) on Sunday that two more days of high dry winds would ruin the wheat (what-ever that means). Needless to say relief from the high dry winds would be welcomed, especially if a nice rain were to come. Fact, it seems that a good rain is about all West Texans ever need. If we could arrange to have about one a month, at least, we might not have anything to worry about—well, maybe weeds. If it does not rain soon it doesn't look like we'll even have healthy

weeds by July.

BIRTHDAY DINNER

Mr. and Mrs. Joe Jones hosted a dinner at their home on Easter Sunday honoring his mother, Mrs. Ed Jones of Johnson Chapel. Mrs. Jones who had turned 85 years young on Saturday, April 13, was ill and unable to attend the celebration staged in her honor. Family members who did attend were Mr. and Mrs. Jack Jones and family, and Mr. and Mrs. Bill Olson and family of Stamford.

OFF-ILL GATHERING

Mr. and Mrs. Clarence Offill entertained a group of relatives and friends at their home on Sunday, April 7, when a picnic lunch was served to the following guests: Lois Allen, Lynn Hurst and Leonard Stephens of Abilene, Mrs. Emsy Offill, Mr. and Mrs. Edward Mozue, Mr. and Mrs. Vernon Underwood and son, Mr. and Mrs. Robert Smith, Mr. and Mrs. Frank Higgs and children, Mrs. Jessie Hightower, Mrs. Adele Thompson and Grace Johnson, all of San Angelo.

SCHOOL

Students entered in Inter-scholastic League Events at Stephenville came through with flying colors last Friday and Saturday. The student body, teachers, parents and friends should feel justly proud of these representatives.

Sharon Leverett entered in three events and came out first in tenn's (doubles) along with her partner, Beverly Garner. She received third place in

SIGHTS TO SEE IN TEXAS

There's plenty to see in Texas, wherever you may roam on a holiday jaunt or on a vacation trip. Clockwise from the lower left hand corner, some of the impressive sights to see in Texas are: The Big Bend, some of the most striking scenery in the state; Guadalupe Peak, highest point in Texas at 8,751 feet; the Palo Duro Canyon, camping grounds for Indian tribes in frontier days; East Texas oil fields,

biggest of them all; the 570-foot San Jacinto Monument, commemorating decisive battle of Texas history; Gulf Coast Beaches, some of the finest in the world; the Alamo, "Cradle of Texas Liberty," and in the center of the state, Texas Longhorn Cavern, biggest cave in the state and third largest in the world, one of Texas' most spectacular natural wonders. Sightseeing is fun in Texas.

Girls Prose Reading and was listed on the All-star cast of the One-Act Play.

Sofia Vargas placed first in Ready Writing and Larry Quade was second in Boys Prose Reading.

Old Glory's play, "Rose of Sharon," was given first on the program of a group of seven plays Friday evening. Their performance was excellent. It was reported that the quality of plays this year was much above previous years. The cast and stage crew presented their coach, Mrs. Cecil Klump, with a lovely yellow carnation corsage.

Mrs. Vera Beil was absent from school Monday in order to be with her mother, Mrs. R. O. Gibson, who underwent surgery at Stamford. Mrs. Betty Letz substituted in the first and second grade.

The Junior-Senior Banquet is scheduled for Saturday night at the Cliff House at Stamford. Some twenty-eight guests have been invited, including seniors, dates, and teachers. Terry Sellers is president of the Junior

class and Mrs. Cecil Klump is sponsor.

The County Teachers Meeting will be held next Monday night at the Hotel Stonevall with a dinner meal and games to follow. Old Glory is host for the event and the committee in charge is composed of Mr. T. E. Beil, Mrs. Tom Pritchard and Mrs. Eddie Mathews.

Old Glory 4-H'ers entered in County Contest Events Monday night included:

Junior electric team, Steve Letz and Weldon Spitzer; junior safety team, Kenneth Jones and Jimmy Leverett; junior girls' public speaking, Judy White; senior girls' public speaking, Sharon Leverett; junior girls' vegetable preparation, Reva Letz and Judy Sander; senior girls' vegetable preparation, Donna Pierce and Carolyn Sander; and senior electric team, Stanley Diers and Danny Letz.

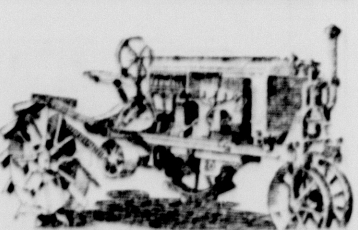

Others who will also attend the District Contest Events at Wichita Falls Saturday include the Poultry Judging team which is composed of Mike Baldree, Billie Ann Vahlenkamp and Charles Diers from Old Glory. Stonewall County 4-H'ers were in charge of the concession stand at the County Auction held at the 4-H Barn last Saturday. Old Glory 4-H members supplied the sandwiches and manned the booth. Those attending from Old Glory included adult leader, Mrs. Jack Jones, and members, Kenneth Jones, Jimmy Leverett, Lyndell Quade, Brenda Palmer and Rita Baldree.

PERSON LS
Mrs. R. O. Gibson, Sr. entered Stamford Memorial Hospital on last Tuesday for observation and treatment. She returned to her home on Saturday afternoon but re-entered the hospital on Sunday night for scheduled surgery Monday morning. Mrs. Gibson is the mother of Mrs. Vera Beil. We hope for Mrs. Gibson a speedy recovery.

Mr. and Mrs. Charlie Letz and Mr. and Mrs. Oscar Vanderworth left last Thursday for Denver, Colorado, for a visit with their children; Mr. and Mrs. O. D. Vanderworth and children, Ann and Michael.

Mr. and Mrs. Delos Callioate visited with his brother and wife, Mr. and Mrs. Roy Callioate, at Spur Sunday.

Borger Patrolman Hurt in Accident North of Hamlin

John C. Kennedy, Highway patrolman from Borger enroute to visit with his family in Abilene, was hospitalized here Sunday after being injured in a one car accident on Highway 83 four miles north of Hamlin.

The small compact type car left the highway about 60 feet before hitting a bridge abutment. The accident, which occurred at 2:55 p.m., was investigated by Highway Patrolman Armstrong of Anson. The car was a total loss. Kennedy was traveling alone.

After overnight treatment in the Hamlin hospital he was released Monday and went on to Abilene.

Marvin Kirkland Finishes Training

Army National Guard Pvt. Marvin L. Kirkland, son of Mrs. Mary E. Kirkland, 1017 S. E. Avenue B, Hamlin, completed eight weeks of advanced individual infantry training under the Reserve Forces Act program at Fort Polk La., March 29. Kirkland received instruction in combat techniques and in firing the M-14 (Devon, England) high streets.

Donkeys are the only mode of transportation in Clovelly (Devon, England) high streets.

4-H Wiener Roast Set in Anson Tues.

The annual Jones County 4-H Wiener Roast will be held Tuesday night, April 30, beginning at 7 p.m., at the City Park in Anson, according to County Extension Agents, Kirby Clayton and Mary Y. Newberry.

Families of the 4-H members are invited to attend and each family is asked to bring enough wieners, marshmallows, buns, coat hangers for roasting wieners and marshmallows, for his family. Soft drinks and other supplies will be furnished by the 4-H Club Fund.

After the wiener roast, there will be a skating party.

BOARD PRESIDENT TELLS WHY SCHOOL TAX VOTE CALLED

(Editor's note: Since the Board of Trustees of the Hamlin Independent School District has called an election for the purpose of permitting the school tax rate to be increased the following report by the President of the Board, Fred B. Moore Jr., is being published here so that the board may explain to the taxpayers the reasons for this election.)

As president of the Board of Education of Hamlin, I want to discuss with you the problems that now confront the school board. We are having financial trouble in trying to operate our school. We are trying to give this community the type of school system that we will all be proud of and appreciate. In order to do this, we find it necessary to obtain more money in order to meet the needs.

I would like to state some of the reasons why this need is necessary:

For several years, the oil values have decreased, and will continue to do so under the present conditions.

Each school in Texas has to contribute to the State's total cost. This has risen each year since 1955.

Teacher's salaries and local maintenance has increased.

We, the Board, have done a

great deal of research and studying of this matter and have come to this conclusion. There are three ways we can solve this problem:

Curtail the educational program, reduce expenses by using fewer teachers and less equipment, which in turn would give students in our school an inferior education.

Request the Board of Equalization to re-evaluate all properties in our school district.

Ask the people in the Hamlin school district to vote on Senate Bill 116, which would leave values the same and permit the Board to increase the tax rate as needed, but not to exceed \$1.50 per \$100 valuation for maintenance purposes.

The Board of Trustees have made a decision in regard to the above ways to solve our problem. We feel that the people of Hamlin would not accept a curtailment in our program, because the Board feels that the demands on our schools have increased and we should add instead of taking from our program. Also we feel that re-evaluation is not the best way to solve this deficiency. Therefore, the third proposal is our decision.

There has been a petition presented to the Board to call an election in order to give the property tax paying, qualified voters the privilege to vote on the following proposition:

"Shall the Board of Trustees of Hamlin Independent School District of Jones, Fisher and Stonewall Counties, Texas, be authorized and empowered to levy an annual ad valorem tax at the rate of not to exceed one dollar and fifty cents (\$1.50) on the one hundred dollars valuation of taxable properties in said school district for the further maintenance of public schools therein?"

If the voters turn this proposition down, the Board will not have any choice but to request the Equalization Board to re-evaluate all property in the Hamlin school district.

Again, I would like to state what the Board wishes in regard to this matter.

Also I think you will prefer the Senate Bill 116.

We, the Board of Education, have pointed out the needs and have proposed a solution to finance our school and continue to have high quality education. We request any group, club or just an interested citizen that would like to have detailed information, please call on any Board member: Revis Robertson, Bill Harbert, Dr. M. L. Smith, Joe Hudspeth, Richard Young Jr., J. E. McCoy, Mr. Cook or myself. We are more than anxious to inform the public. We will have more information in the paper each week.

Thank you,
Fred B. Moore Jr.,

Hamlin Police Nab Two Suspects for Stamford Sunday

Two suspects that were wanted by the Stamford Police Dept. were picked up here early Sunday morning by City Marshal M. M. Cade. The young men from Rotan were wanted in connection with an automobile break-in when more than \$60 was taken in two ladies' purses. The locked automobile was broken into in Stamford. The men were picked up at 2 a.m. at a local cafe and taken to the County Jail Anson.

Also on Sunday a back glass was broken out of a car parked in downtown Hamlin. The vandalism occurred at 11:15 p.m.

Two women were involved in an accident in the center of the intersection of Northwest Ave. B and Third Streets. Wednesday morning at 8:10 a.m. investigating the incident was Police Chief Frank Chapman. He reported that neither of the occupants were injured. Marv Derrick Stevenson was traveling north on Ave. B and the driver of the other car, Mrs. Jesse Brown of California, was traveling east on Third Street. The front of the Brown car was damaged but no estimate was given. The left rear fender of the Stevenson car was damaged, estimated at about \$35.

'Son of Flubber' Coming to Rogue

One of the funniest comedies to come out of Hollywood in many a day is Walt Disney's newest laugh-riot, "Son of Flubber," opening at the Rogue Theatre Sunday.

Starring Fred MacMurray, Nancy Olson and Keenan Wynn, it is a worthy successor to the producer's earlier comedy hit, "The Absent-Minded Professor," in which this same stellar trio combined their talents to bring off the hilarious hi-jinks.

MacMurray again plays the absent-minded Professor Brainard whose scientific experiments plunge him into all kinds of hot water. His newest discovery involves an off-shoot of an earlier phenomena, flubber (an anti-gravity substance), which he labels flubbergas. The professor not only uses it to put a football team into orbit but eventually to create a rain-storm that results in a torrent of laughs.

REV. HARTLEY TO RETURN TO PULPIT SUNDAY

Rev. Lenard Hartley, pastor of the First Baptist Church, will return at the end of the week from Hong Kong where he is completing a revival as a part of the Japan New Life Movement. Rev. Hartley left March 27 and assisted in revivals on the Island of Luzon and in Hong Kong.

In a telephone conversation Monday with his wife he said that he would be in Hamlin for services at the local church Sunday. During the time spent with the evangelist campaign Rev. Hartley was also able to see the work of the Baptists in Tokyo and also Taipei.

While in Tokyo in mid-April Rev. Hartley visited briefly with Mr. and Mrs. W. C. Russell, layworkers from the local church who are also participating in the movement. At the time of the visit the Russells had not begun their work with the revivals. Since that time they have gone to Kanazawa Shi, Japan, for a revival there. At this time they are at Horikawa, Tovama Shi, Japan. The revival will close May 6.

Special emphasis is being placed on services at the church here Sunday as it has been designated as "Pastor Appreciation Day." High attendance is being stressed for all services.

Semi-Pros to Play Double-Header

Cisco Jr. College downed the Semi-Pros of Hamlin, 15-9, last Sunday afternoon.

There will be a double header this Sunday starting at 2 p.m. Mr. Gamble of Oklahoma, who has been offered a contract with one of the major league teams, is expected to do the pitching for Hamlin. He is the son of Mr. and Mrs. A. L. Gamble.

All Cotton Farmers are invited to attend.

PROCLAMATION

ANNUAL CLEAN-UP WEEK MAY 6th-MAY 11th, 1963, INCLUSIVE

WHEREAS, cleanliness of our City contributes to the health and well being of the people of our town; and, WHEREAS, trash and rubbish are breeding places for flies and mosquitoes, and, WHEREAS, flies and mosquitoes are the chief contributors to the spreading of disease, and, WHEREAS, trash and rubbish create one of our worst fire hazards, and, WHEREAS, the officials of the City of Hamlin, Texas, recognize the importance of cleanliness and its importance to the health and beauty of our community, THEREFORE, the cooperation of every man, woman and child is necessary to make a success of this project.

NOW THEREFORE, I, John V. Howard, Jr., Mayor of the City of Hamlin, Texas, do hereby proclaim the week of May 6th-May 11th, 1963, inclusive as SPRING CLEAN-UP WEEK.

IN TESTIMONY WHEREOF, I hereto sign my name and seal of office this 16th day of April, 1963.

John V. Howard, Jr., Mayor
City of Hamlin, Texas

MAYOR PROCLAIMS MAY 6-11 AS CLEAN-UP WEEK HERE

May 6-11 has been specified as the annual Clean-up Week by Mayor John V. Howard Jr. In a proclamation issued this week he stresses the importance of cleaning the yards of residences and around businesses to prevent disease and remove fire hazards.

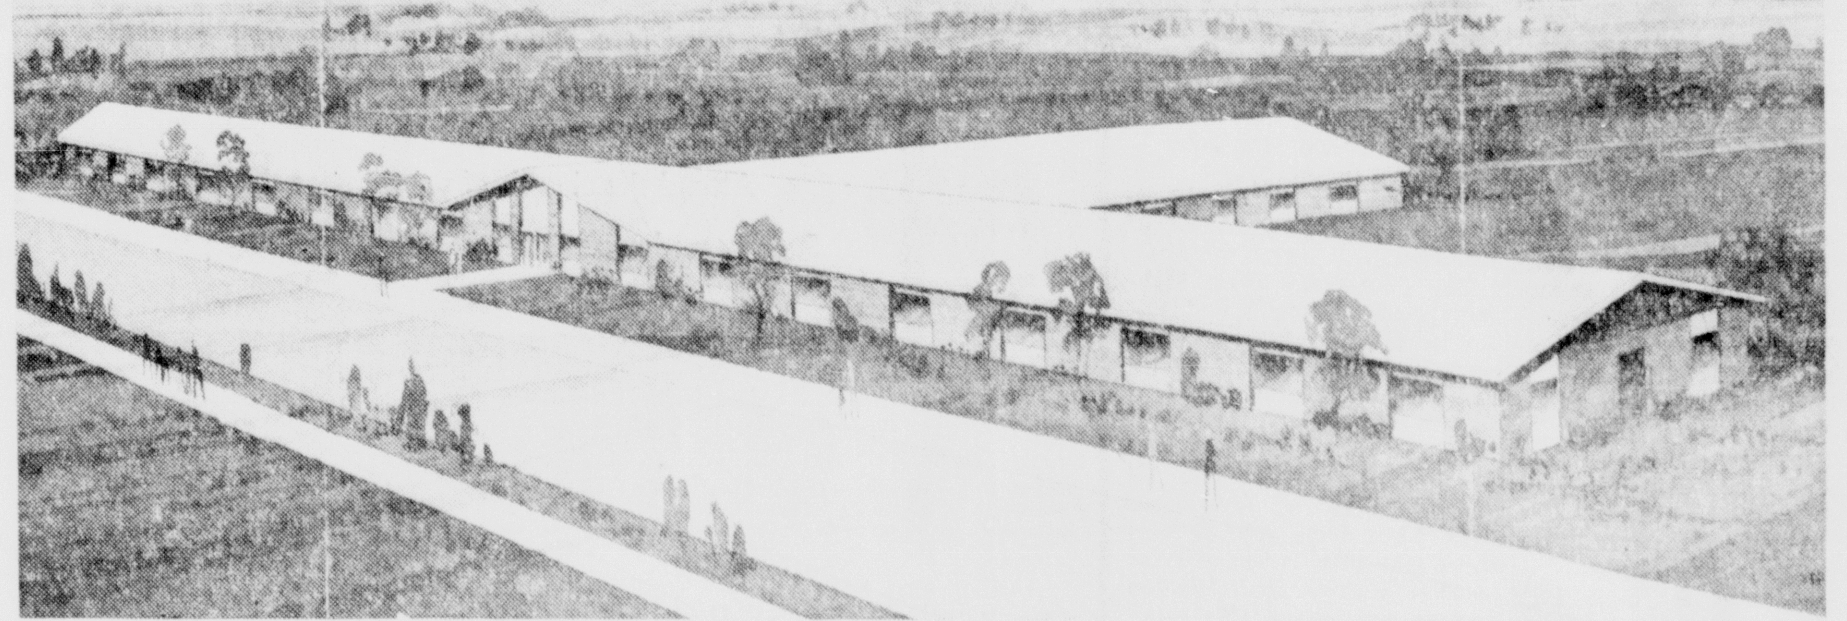

Special arrangements have been made for the sanitation department to man extra trucks the week following the clean-up to carry off rubbish and trash.

The trucks will start the pick-up on Monday, May 13 and continue through that week.

Cemetery Working

The annual Fairview Cemetery working will be held on the first Saturday of next month, which will be May 4.

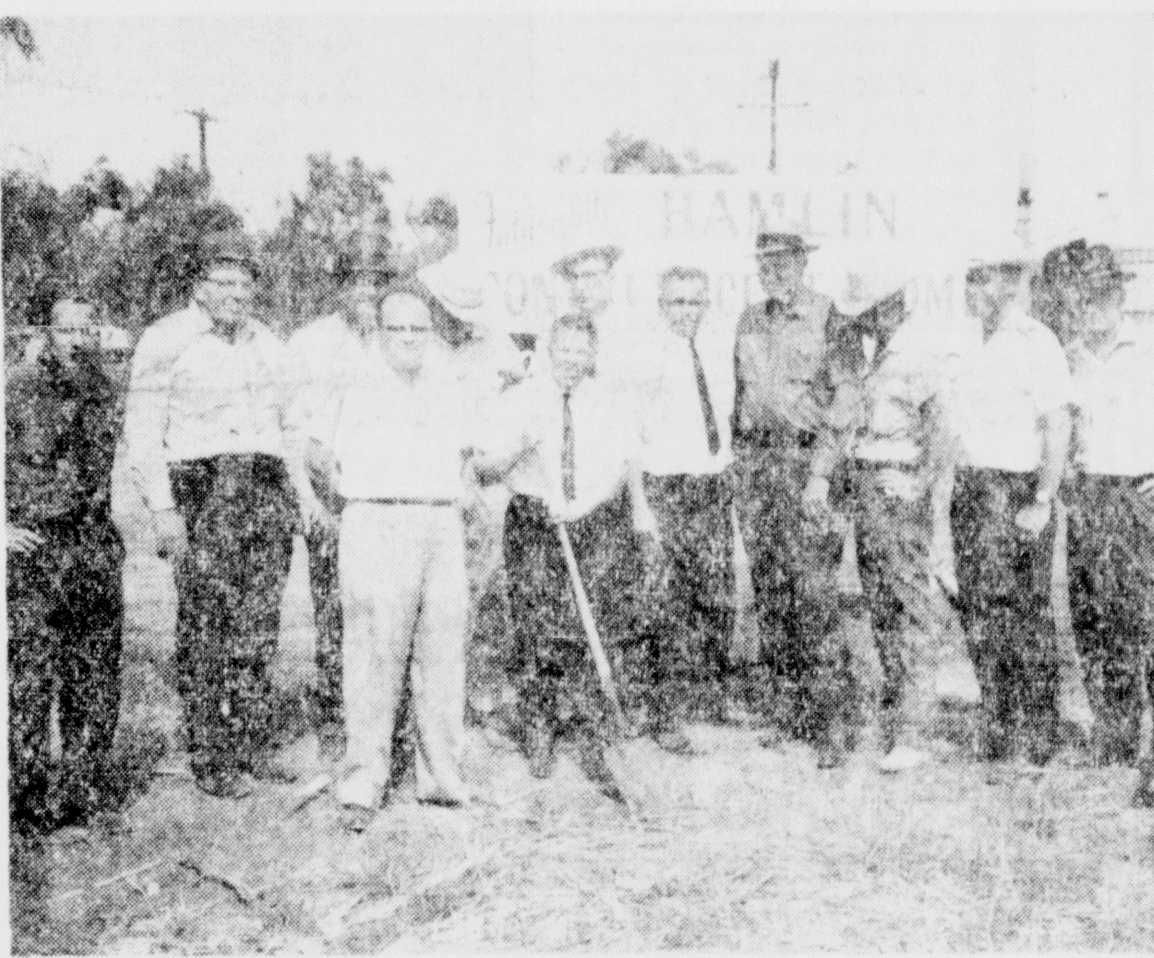

Those who can are urged to attend and anyone desiring to send donations should address them to J. W. Apperson, Rt. 2, Stamford, Texas.

HAMLIN CONVALESCENT CENTER BEING BUILT HERE—The above picture is the architect's drawing of the nursing home being built here. The home will be operated by Hamlin Convalescent Center, Inc., with Elven W. Watkins Jr. as executive vice president. The completely modern facility will be able to serve a maximum of 87 persons.

The "T" shaped, brick-veneer construction will contain 14,000 square feet of floor space at a cost of around \$200,000 for the building and equipment. Plans call for the completion of the Center by the latter part of June. A huge color drawing of the Center is now on display in the lobby of the Farmers and Merchants National Bank.

Ground Broken Here Monday For \$200,000 Nursing Home

GROUND BREAKING CEREMONIES HERE MONDAY—The official beginning of the Hamlin Convalescent Center took place here Monday with ground breaking ceremonies at 3 p.m. The site for the new structure is on the east side of Southwest Ave. F between Fourth and Fifth Streets. Pictured in front are Mayor John V. Howard Jr., left, and Elven W. Watkins Jr., right, executive vice president of the corporation building the Center. Others in the picture are left to right, back row, Dewey Nunley, Joe Hudspeth, C. L. Howard, Dickie Ferguson, Dick Dickenson of Snyder who will be the administrator, Jack Goodman of G & G Construction Co., Lubbock, who is in charge of the construction of the building, E. J. Whaley, Fred B. Moore Jr., Robert Fowler and Joe Ford.

A dream of over a year and a half on the part of the Hamlin Board of Community Development was started on the way to reality here Monday as ground breaking ceremonies were held for the construction of the Hamlin Convalescent Center, a \$200,000, 14,000 square foot, nursing home.

Construction of the Center, located on S. W. Ave. F, between Fourth and Fifth streets, is now underway and it is expected to be in operation by the latter part of June. The privately financed nursing home will have maximum capacity of 87 patients according to E. J. Whaley, co-chairman of the BCD committee that has been successful in securing the location of the home here. He said it will be the first operation of its type between Fort Worth and Lubbock and probably as modern as any in the state.

The Center is being constructed by G & G Construction Company of Lubbock and will be operated by the Hamlin Convalescent Center, Inc., with Elven W. Watkins Jr. as executive vice president. Mr. Watkins is associated with the University Convalescent Center in Lubbock and is experienced in the design, construction, and operation of convalescent homes over the state.

The BCD committee, with Whaley, Robert Fowler and Floyd Clifton as co-chairmen, and Gene Prewitt, Joe Hudspeth, Fred B. Moore Jr., James Rogers, J. C. Turner, C. L. Howard, and Dickie Ferguson as committeemen, has been working on the rest home project for over a year and a half and has checked into every means of securing a home of this type for Hamlin. As spokesman for the group, Whaley said that the principal reason that they selected this organization to build here was that their first concern in planning and designing of the rest home was for the patients' comfort and welfare.

The center has been approved by the Texas Department of Health as a Grade III nursing home under the Kerr-Mills Vendor Medical Payment program, which is the highest grade licensed by the state. The Center will be equipped to handle adults who need only limited care as well as those who are completely invalid. It will offer care for long-term convalescent patients, retired people, invalids, and the handicapped. With physical therapy treatment and occupational therapy, it will offer a complete service of rehabilitation for adult patients in this area.

While being quilled for the care of patients under the Kerr-Mills program the Center will also be open to anyone with their own financing. The "T" shaped, brick-veneer structure will be of fire resistant construction and

will have year-round air conditioning. The front of the building will be 264 feet long and by the time it is completely finished will cost in the excess of \$200,000 to construct and equip.

The Center will be operated under the supervision of Bert Dickerson of Snyder who will be the administrator. He is the owner and operator of the Snyder Hospital with 13 years experience in the operation of hospitals and nursing homes. Dickerson will continue to live in Snyder and divide his time between the operations.

A local assistant to Mr. Dickerson will be hired to serve as local manager. The Center is expected to employ in the neighborhood of 30 people in the operation.

The Center is designed and decorated to give a home-like atmosphere and will be furnished in Danish Modern. Showplace of the home will be the guest lobby with carpeted floor, wood-burning fireplace, library and television set. The lobby will overlook a fenced-in patio.

Other features of the home will be a dining and recreational area, game room, beauty and barber shop, physical therapy center equipped with hydraulic lifts, both bath and shower facilities with equipment for wheel chair and stretcher patients, and big eight foot hallways.

Each room will be equipped with decorator-type hospital beds, built-in lavatory and dressing tables, television outlets and individual toilet facilities. There will be some private rooms available.

The Center will be staffed with a Registered Nurse at all times and patients will be able to receive professional medical nursing care under orders of their own doctor. A nursing call system with lights and voice communication will be installed.

The modern-equipped kitchen with walk-in refrigerator and freezer will be able to handle special diets as well as offer a well-balanced menu.

Mr. Watkins stated that the Center is designed for future expansion to meet the needs of this area.

Merkel Man Named Manager Here

Robert L. Curtis, formerly of Merkel, is the new general manager of Connally Ford Sales, according to Charles Connally, owner. Curtis assumed the responsibilities of the position Monday. He has been associated with Ford dealerships for nine years.

He and his wife, Joan, have three children, Beckie, 7, Keith, 5, and David, 3. They are members of the Presbyterian Church.

Mr. and Mrs. Curtis are both natives of Anson.

JUNIOR PLAY SET TUESDAY NIGHT

The Junior Class will present "Terror in the Suburbs" here Tuesday night at 8:00 in the high school auditorium.

Tickets are being sold by all Junior students and will also be sold at the door.

First Baptist Junior Choir to Sing in State Competition

Members of the Junior Choir of the First Baptist Church, directed by S. L. Tate, will participate in the State Junior Choir Festival in Wichita Falls Saturday. They are scheduled to sing at 9:30 a.m.

A superior rating was given to the group after their performance at the district festival in Abilene, thus making them eligible to compete on the state level.

The local group will be one of six choirs participating. There are about thirty youngsters planning to make the trip.

Mr. and Mrs. Jess Miller spent last week in Borger with their daughter and family. Mr. and Mrs. B. H. Winters. They spent one night with Mrs. Miller's nephew and wife, Mr. and Mrs. Wendell Fannin, in Amarillo.

TWO SESSIONS PLANNED FOR CHARITY BRIDGE TOURNAMENT

The Duplicate bridge tournament, to be sponsored by the Hamlin Duplicate Bridge Club, will be held in the primary cafeteria Saturday and is a part of the American Contract Bridge League's 1962-63 Charity Program.

Sessions will begin at 1:30 and 7:30 p.m. with Mrs. Mable Leffious of Abilene as director. Entry fee for the tournament, which is open to the public, is \$2.00 per person each session and is tax deductible. Dinner will be served at 6 p.m. for \$1.00 per plate.

The club is championship rated and all bridge players in the area may participate, whether or not they have ever played duplicate bridge.

For the convenience of out of town guests, signs will be posted to direct them to the cafeteria.

Proceeds of the tournament will go to the American Contract Bridge League Charity Program's two designated beneficiaries, the Institute of Logopedics and the National Multiple Sclerosis Society. The Hamlin Duplicate Bridge Club is one of over 4,000 American Contract Bridge League affili-

ates to conduct special tournaments each year on behalf of the national charity organizations selected by the League as outstandingly deserving support.

Trophies for all sessions are on display at Knabel Jewelry.

Group to Meet Monday Night on Swimming Pool

At a meeting Tuesday night of the Hamlin Foundation, which is composed of representatives of the 16 civic organizations, plans were discussed for the operation of the local swimming pool and a nominating committee was named by James Josey, president.

Seven representatives from the local clubs were present. Named to the nominating committee were Gene Prewitt, Bill Harrison and Jake Weir.

Another meeting will be held Monday at 8 p.m. in the Hamlin BCD office for election of officers. Also anyone interested in contracting for the operation of the swimming pool may appear before the Foundation at this time.

The Protecting LIGHT

This lighted tower is a light shining in the darkness to guide sailors and ships through the night. Our Lord is our light who guides us faithfully through life, even though it be as a stormy sea—He knows the way. His word, as proclaimed in His church, will light your way and bring peace, joy and comfort.

"Thy word is a lamp unto my feet, and a light unto my path." Psalm 119:105.

Attend the church of your choice this coming Sunday and receive the blessings awaiting you.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin.— Scandal has struck again in Texas. This time on the Railroad Commission.

Revelation by the Dallas Morning News that Commissioner William J. Murray had grossed some \$285,000 from oil investments in earnings from a Trocknor County lease caused the commissioner to resign his post.

Question was a matter of ethics... whether or not it was proper for a public official to make investments in an industry over which he exercised control, in whole or in part. Murray's answer was that he grew up in the oil fields, was educated in petroleum engineering and it was the only business in which he had any practical experience.

He admitted his investments and pointed out that they were a matter of record, in his own name, and he had nothing to hide. He stated that he resigned his post as a commission member because he felt that "harmful publicity" might lessen his effectiveness.

Murray hinted that the investigation into his past invest-

ments was prompted by his refusal to call off the East Texas slant-hole, well-drilling investigations, in which he played an active part.

Murray's attorney, Les Proctor, submitted the former RR commissioner's personal financial records to Travis County District Attorney Tom Blackwell for checking. They are being examined by Blackwell, Atty. Gen. Waggoner Carr and State Auditor C. H. Cavness.

State law provides for removal from office of any public official violating the Code of Ethics. Since Murray resigned that question has become moot. All that remains is the matter of determining whether any civil or criminal statute has been violated.

Proctor says none has been.

Resignation Accepted — Gov. John Connally accepted Murray's resignation with the comment that "It is regrettable for all of Texas that documented facts made public within the past few days indicated a question of propriety of legality of his outside business transactions in view of his position of authority on the commission."

"Public officials have a sacred public trust. It is imperative to continued confidence in our form of government that their conduct in office be beyond a shadow of a doubt. Anything else undermines the con-

fidence of the people in responsibility and integrity in government."

Investigation Proposed — In the House of Representatives, Rep. George Hinson of Mineola introduced a resolution asking for a thorough study of the sweeping powers of the Railroad Commission by the Texas Legislative Council.

Resolution received prompt committee approval and was sent immediately to the House floor.

Rep. Bob Eckhart of Houston gained permission of the House to introduce a bill to tighten regulations prohibiting public officials from participating in any private enterprises which might be in conflict with their public duty.

Eckhart said his bill would amend the Code of Ethics and clarify it. It also would include a section providing that no public official of member of the Legislature could appear before any state board or commission where the official had private interests that might be affected by the agency's action.

House Probers — House State Affairs Committee recommended adoption of a resolution by Rep. Rufus Kilpatrick of Beaumont that would establish a general investigating committee. Normally one acts only between sessions of the Legislature.

Rep. Ben Jarvis of Tyler said Speaker Byron Tunnell is interested in fast action on the Kilpatrick resolution, which would give the investigating committee broad authority.

Rep. Horace Houston, Republican member from Dallas, opposed the resolution and asked for a postponement to study it. He said he once served on such a committee, and "nugood has come from general committee investigations." Later Houston changed this statement and agreed that investigating committees

do "throw a white light into some dark shadows."

Appropriations — A record \$3,100,000,000 spending program — the general appropriation for the biennium — went to a conference committee following rejection by the House of Senate amendments.

Highlights continued—

Major not to concur in Senate changes was made by Rep. W. S. Heatley of Paducah, chairman of the House Appropriations Committee.

More Taxes — Some \$43,000,000 in additional revenue would be gained during the next two years by adoption of a House Revenue and Taxation Committee substitute for House Bill 106.

Rep. R. H. Cory of Victoria, chairman of the subcommittee that revised the proposed tax law to comply with Governor Connally's program, said the bill as now drawn would incorporate a one-year extension of the state franchise tax to April 30, 1965. This would net the state 11,200,000. Repeal of the exemption of outer clothing under \$10 would get \$20,400,000. Bringing motor vehicles under the sales tax would provide \$6,100,000. Other minor changes would round up additional millions.

Lending — All Texans were invited to appear and testify about the so-called "loan shark" legislation.

Enough Texans accepted to make it a three-hour session with the House Banks and Banking Committee. There were two major points of disagreement. One—the insurance provisions of Senate Bill 15 (passed by the Senate). And two—the maximum loan to be under the act, and thus be 100% interest.

Witness representing the insurance companies generally protested that the new commissioner, to be called for under the act, would have too much power. Especially over rates.

On the maximum loan proposition, opinions varied widely. Bill specifies \$1,500. Some witnesses would like to lower it to \$300. Others thought it should be raised to \$3,000 or more.

Women's Rights — Legislation to provide equal rights for women is in this status: Senate Joint Resolution No. 2, which is what the women want, has passed the Senate. It was heard by the House Constitutional Amendments Committee and sent to a subcommittee.

If the resolutions gets through the Legislature, it will have cleared perhaps its biggest hurdle. Next step calls for passage of a constitutional amendment by vote of the people. Amendments usually require public approval.

However, even after that, all questions of woman's rights would not be defined. A good bit of legislation still would be required.

Former Attorney General Will Wilson, in testimony before the House committee, said that the amendment is passed, "The Legislature will have its work cut for it in the next session."

Short, Short Snorts — House has passed a bill to force most state agencies to sell their "executive-type" airplanes. Bill now goes to the Senate.

Biggest crowd of the legislative session came to a session of the House Game and Fish Committee, which lasted five hours. The proposition: to close all Gulf Coast bays to netting. Result: subcommittee.

Another measure affecting the Gulf Coast was a bill introduced by Rep. Leroy Wieting of Portland, setting in motion a "pilot program" of regulation by the Texas Game and Fish Commission over wildlife resources in Aransas County. It might have far-reaching effects, giving the commission authority to fix seasons on game birds, game animals and fresh and salt water fish and shellfish, excluding shrimp.

Date Set for Jones County H-D Rally Day by Council

Tentative date for the Rally Day program of the Home Demonstration Clubs of Jones County was set for Friday, June 28, at the April 17 meeting of the Jones County Home Demonstration Council. The Rally Day will be held in the Oil Mill Guest House.

The Council met in the office of the County Agent, Mrs. B. V. Newberry. Mrs. Elmer Joiner, chairman of the Hamlin Good Neighbor's Club, presided. Eighteen members representing ten clubs and three visitors were present.

Club reports were given and an announcement concerning the Council's preparing a booth for the Abilene Fair was made.

Two representatives from each club will attend a training lesson on re-silvering mirrors and finishing picture frames at Sweeney Glass Company in Abilene May 2.

Bridge Winners

Tallies of the Hamlin Duplicate Bridge Club meeting Tuesday evening placed first the twosome of Mrs. Harry Yates of Stamford and Mrs. W. O. Wilbanks; second, Mrs. Grady Bowdry of Stamford and Gene Amsauer; third, Harry Yates and Mrs. Floyd Bristow.

The next meeting will be at 7:30 p.m. Tuesday in the Oil Mill Guest House.

Faith Methodist WSCS Meets with Mrs. Fred Brown

A business meeting of the Woman's Society of Christian Service of the Faith Methodist Church was held in the home of Mrs. Fred Brown Monday evening.

The session, presided over by Mrs. John Barnett, president, included the election of new officers and various items of business were discussed pertaining to the closing of the year.

Mrs. Brown will direct the program for the regular monthly meeting in May.

Mrs. E. M. Wilson Hosts Jones Circle

Mrs. E. M. Wilson was hostess for the meeting of the Jones Circle, Woman's Society of Christian Service of the First Methodist Church, Monday afternoon.

Mrs. L. H. McBride was leader for the mission program, assisted by Mrs. Fred Carpenter and Mrs. Holly Toler.

Mrs. C. D. Jones, circle chairman, presided during the business session.

Ta-Wan-Ka Group Elects Officers

The Ta-Wan-Ka Camp Fire Girls re-elected officers at the regular meeting on April 9.

They were elected as follows: Janis Crouch, president; Rochelle Kincaid, vice president; Jana Ferguson, treasurer; Jan Young, scribe.

They enjoyed a cookout April 11 at Frog Park on the Johnson Farm south of town. About 20 persons were present at the cookout.

Special Care Called For in Freezing Cream Pies

It takes a special recipe and special handling to come up with a good cream pie that can be frozen and stored successfully, says Mary Y. Newberry, Jones County Home Demonstration Agent.

Research home economists at Texas Technological College, Lubbock, in cooperation with food and nutrition specialists of the Texas Agricultural Extension Service at Texas A&M College, have come up with a special way to make cream pies so that the filling doesn't separate, get grainy, lumpy or spongy, and the crust remains flaky.

Cornstarch, the researchers find, is the most acceptable starch to use in the filling of a cream pie that's going into the freezer. And you get best results if you freeze the pie filling and shell separately, then combine the two when ready for use or use the frozen filling in a freshly baked crust.

Bake the shell on the outside of the pan, then remove, wrap and freeze. The filling may be frozen on the inside of the same size pan than removed and wrapped. Raw egg whites may be baked in the frozen cream pie.

Hamlinite's Son-In-Law Retiring from Air Force

Lieutenant Colonel Edward W. Kubin of Bryan, has retired from the United States Air Force after 21 years active duty.

Colonel Kubin was assigned to the 3565th Maintenance and Supply Group here as chief of supply. Prior to this assignment, he served as base supply officer at Phalsbourg AB, France.

The Colonel, who is a pilot, served in World War II in the Central Pacific and is credited with flying 42 missions in B-24 aircraft. He later served overseas in Germany, South Viet Nam and in France. Among his decorations are the Distinguished Flying Cross, the Air Medal and the Air Force Commendation Medal.

He is the son of Mr. and Mrs. Frank J. Kubin Sr. of Rt. 1, Hearne. The colonel attended Stephen F. Austin High School and Texas A & M College.

His wife is the former Leota Bailey, daughter of Louis Bailey of Hamlin.

Colonel Kubin and his family will reside at 2500 Wayside Drive in Bryan. He plans to resume studies at Texas A&M.

Carl Akeley, the American explorer, was buried on Mount Mikeno in Belgian Congo, Africa.

Herald to Publish Children's Pictures

It is an undisputed fact that the responsibilities of tomorrow's world our nation and community will rest upon the shoulders of the children of today. Since this is true, the publisher of this newspaper would like to give you a look at these future "World Builders."

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work will be here Thursday, May 2.

Pictures will be taken at the White Plaza Hotel from 1 p.m. to 6 p.m.

There is no charge to the parents. There are absolutely no strings to this invitation. It is a bonafide in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement with the studio representative when they select the pose they want printed in the paper. It is entirely up to them.

A weekly public service feature from the Texas State Department of Health

Accent on Health

Last summer a four-year old boy died of rabies in Texas. Although there was no history of an animal bite, circumstances pointed to the possibility that he was bitten by a puppy or dog.

There was no doubt that rabies was the cause of death. The case was diagnosed clinically and confirmed by the State Department of Health Laboratory.

Dramatically, rabies is still very much a fact in Texas, when viewed in the misery which surrounds the death of a small boy—to his family, friends and even to public health veterinarians and record keepers.

The fact is that rabies, although changing in complexion, was laboratory—diagnosed in 124 Texas counties during 1962.

The total number of cases, while down from the previous year's 658 cases, reflects an increase in the number of rabid domestic animals other than pets.

A few years ago pets accounted for the majority of cases. Today, wildlife rabies outstrips the disease among pets and domestic animals by far. Skunks continue to lead the statistical columns, but

Through this cable flows power for progress

A literal web of cables strung on highlines tie together all the communities we serve. Through these cables flow the electricity to light the darkness, to relieve housewives of home making drudgery, to turn the wheels of industry, and to perform countless other tasks economically and continuously.

Because our service area is the center of one of the Nation's fastest growing regions, we are engaged in a long-range program of expansion. Generating and distribution facilities are being enlarged to serve more people, more businesses, more industry.

That is why our product — electricity — is not only the power FOR progress, it is a symbol OF progress here in the Center of the Southwest.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Another week has gone by without any rain or change in the weather, still hot and dry. Although there is quite a few pretty little fields of maize up to a good stand, despite the wind and sand. Wheat was helped by the small rain a few weeks ago, it looks as if it might make about half a crop this year, although you get fooled pretty badly some times in this country, it turns out better than it looks, and often times worse.

Mr. Joe Ford was in the hospital last week but is home now and feeling better.

Since grand children are always big news to us, the big news to Mr. and Mrs. Flavel Holmes this Monday morning is a little grand daughter, born Sunday, April 21, to Mr. and Mrs. Jimmy Holmes of Midland. Weighing in at five pounds and fourteen ounces, the little miss had not been named at last report. She was a very obdiding little lady, since Mr. and Mrs. Holmes went to Midland Saturday and she chose Sunday, while they were there, to make her appearance. Mrs. Holmes will return to Midland Wednesday to help care for the new mother and baby.

Visitors in church Sunday morning with Mr. and Mrs. Bill Johnson, were his grand parents, Mr. and Mrs. Suddeth of Ranger and Ed Suddeth of Fort Hood.

Mr. and Mrs. D. T. Downey and daughter, Ft. Worth, Mr. and Mrs. J. D. King, Midland, spent Saturday night with their sister, Mr. and Mrs. Fred Rosenbaum. Sunday they all attended the annual reunion at Neimda, the Downey family having spent many years in that community.

Mr. and Mrs. Roy Taylor, Muleshoe, visited awhile with the Elmer Joiners last Monday afternoon. They have their cabin built on the new lake near Breckenridge, and had their truck loaded with furnishings for it, coming by to pick up some things the Joiners had donated them. All they need now is some water in the lake, so they can go down there and stay.

Mr. and Mrs. Henry had as visitors last Sunday and Monday, a niece, Mr. and Mrs. Tom Ingram and three children, Petersburg.

Mr. and Mrs. Mel Jones went to Stamford Saturday morning to visit Mr. G. W. Wainscott, then Sunday afternoon they went back to Stamford to visit his brother, Mr. and Mrs. Newman Jones.

Saturday night, Mr. and Mrs. Jack Wicker and girls, Mr. and Mrs. Woodrow Goodwin and Linda, all took supper out to the Hamlin park for a picnic.

Mr. and Mrs. Winslow Gray are driving a new Bel-Air Chevrolet.

Mr. and Mrs. Elmer Joiner went to Lubbock Thursday to visit with Mr. and Mrs. Henry Kee and their daughter, Mrs. Delbert Martindale and boys. It has been announced that there will be a singing at the recreation center at Tuxedo, which is the old school auditorium, next Saturday night, featuring the Stamps Quartet, Paize brothers string band, and group singing. No admission will be charged, only the hat passed.

Rev. and Mrs. Derrel Lewis and children went to Lubbock Saturday and returned Sunday morning. They visited her mother, Mrs. Ray.

Mr. and Mrs. Winslow Gray attended the revival at the North Central Avenue Baptist Church Saturday night.

Mrs. Elmer Joiner and Mrs. Woodrow Goodwin went with the Home Demonstration clubs of Jones County Friday afternoon to Abilene to Waldrup's Furniture Store, for the program on interior decorating. The staff of the store put the program on, served refreshments and conducted a tour of the store. To conclude it all they took care of the parking tickets in showcase square, for the ladies attending.

Mrs. Jimmy Joiner and children visited with Mr. and Mrs. Elmer Joiner last Tuesday night, while Jimmy went to Hamlin and did some work at the newly remodeled city hall.

Suzann Wicker spent last Friday night with Linda Goodwin.

Rev. and Mrs. Derrel Lewis and children took lunch with Mr. and Mrs. George Wainscott and Jimmy Sunday.

We are glad to see George Wainscott feeling good enough again to be in church Sunday. His father, Mr. Wainscott, is reported to be a little stronger, although still in the hospital.

We have no news on our coons this week, they behaved very nicely this Sunday.

72-Hole Tourney Planned by Golf Club May 10, 11, 12

The Lakeview Golf Course will host an invitational golf tournament May 10-11 and 12.

The tournament will be a 72 hole match play, sixteen man flights. Entry fee is \$10.00. Qualifying scores must be in by 6 p.m. May 10 except for the championship flight. Anyone entering may call SP 4-1026 or write Lakeview Golf Course, Hamlin.

The winners of the first, second and consolation places in each flight will receive golf equipment.

A block off the old chip

Today's kids are taller, stronger, healthier than ever before. Midwest Electric Cooperative, to a great extent, is responsible for this phenomena.

In bringing rural electrification to a nine county area Midwest Electric has provided refrigeration, controlled heating and air conditioning, running water for indoor plumbing and modern conveniences for rural schools.

The member-owners of Midwest Electric pioneered rural electrification in this area. They borrowed money at interest and built their own electric system.

So if you find yourself "Looking Up" to your children, blame Midwest Electric Cooperative for providing a healthier, happier, better way of life through rural electrification.

LEGAL NOTICE

AN ORDINANCE REGULATING the construction and maintenance of private toilets and privies; providing for the sanitary disposal of human excreta; providing a penalty: repealing all ordinances in conflict herewith; and containing a saving clause.

BE IT ORDAINED BY THE by the Commissioners of the City of Hamlin, Texas:

Section 1. That it shall be unlawful to permit, maintain or use any ground lot, yard, residence, place of business, or other place or building within the corporate limits of the City of Hamlin where persons reside, congregate or are employed which is not provided with means for the disposal of human excreta, either by flush toilet connected with a sewerage system, approved by the State Department of Health, or a privy which meets the requirements of construction and maintenance hereinafter described.

Section 2. Every residence, place of business, or other building or place where persons reside, congregate, or are employed which abuts a street or alley in which there is a public sanitary sewer, or which is within 200 feet of a public sanitary sewer, shall be connected to the sewer by the owner or agent of the premises, in the most direct manner possible, and with a separate connection for each home, building or place. Each connection and each fixture emptying through the connection shall be installed in the manner prescribed by the plumbing code of the City of Hamlin, Texas.

Section 3. Every residence, place of business or other building or place where persons reside, congregate or are employed, and which does not abut a street or alley in which there is a public sanitary sewer, or which is not within 200 feet of a public sanitary sewer, shall be provided with a private water-flush toilet, or a privy, to be built or rebuilt, constructed and maintained in such a manner as to meet the following requirements of construction and maintenance.

PRIVATE SEWER SYSTEM.
1. At any residence, place of business, or other place or building where there is installed a water-flush system of excreta disposal which is not connected to a public sewer system approved by the State Department of Health, and where the customary users do not exceed 25 in number, there shall also be established or installed a private sewage disposal plant, said disposal plant to consist of a septic tank and a system of underground drains for the disposal of the tank effluent. Said tank and drains shall be so constructed as to meet the requirements of construction and maintenance hereinafter described.

(a) Septic tanks.—The sizes of septic tanks shall be as follows:

The minimum size shall be 300 gallons sewage capacity, and where more than six people are to be served, the tank shall be increased in sewage capacity at the ratio of 50 gallons increase in sewage capacity per capita. Septic tanks shall have removable lids, or covered manholes of sufficient size to allow cleaning of tanks.

(b) Sufficient open jointed tile drain shall be provided and the construction shall be such that sewage shall at no time flow over the top of the ground. Thirty feet of drain per person shall be recognized as a minimum. Drain tile shall be laid to a grade not exceeding 3 inches per hundred feet, and shall be perfectly laid to a grade of 1 inch per hundred feet.

(c) Drain line trenches shall be not less than one foot in width, and not greater than two feet in depth. The drain lines shall be laid on a 4 inch bed of crushed stone or clean gravel covering the full width of the trench and mounded up over the top of the tile. Tile joints shall be covered with tar paper or equal to prevent dirt from settling into the joints. The backfilling of the trench shall provide an earth covering of 10 inches for the tile at all points.

2. At any residence, place of business, or other building or place where there is installed a water flush system of excreta disposal which is not connected to a public sewer system approved by the State Department of Health, and where the customary users exceed 25 in

number, there shall also be established or installed a private sewage disposal plant, the plans and construction of which, in each separate case, shall be approved by the State Department of Health. Each fixture connected to any private sewage disposal plant, and all piping and appurtenances thereto, shall be installed as prescribed by the plumbing code of the City of Hamlin, Texas.

PIT PRIVY:

1. Where at any time there shall be established or installed a pit privy, said pit privy shall be so constructed, built or rebuilt that:

(a) The excreta deposited therein shall not fall upon the surface of the ground but shall enter into a vault or pit in the ground.

(b) The contents of said vault shall be at all times inaccessible to flies, mosquitoes, fowls, or small animals.

(c) The pit, vault, or compartment, together with the floor, riser, seat and other portions of the building, shall as a unit, prevent the entrance of either rain or surface water into the pit below.

2. There shall be deemed to be compliance with the requirements of the above portion of part B SECTION III, when the following conditions exist:

(a) Pit—Minimum dimensions:

Length, breadth: 3 feet 6 inches.

Depth, from original ground surface, 5 feet.

A box cribbing shall extend from the bottom of the pit to a distance of two inches above the original ground surface.

(b) Collar or Sill:

Around the pit, and clearing the cribbing by a distance of one inch shall be placed reinforced concrete collar or sill not less than four inches thick and five inches wide; said sill to be cast monolithic, or in one piece.

(c) Floor and riser:

Upon the sill or collar shall be placed the floor and riser, which shall be substantial reinforced concrete slab 4 feet by 4 feet with bolts set in the concrete for bolting the house and the seat to said slab.

(d) Mount:

From the top edge of the slab a well tamped mound shall be constructed tapering from the edge of the slab to the original ground surface at a distance of not less than 18 inches from the slab.

(e) Seat and lid:

The seat shall be constructed of a good grade of wood, 2 inches thick. There shall be an opening at the back of the seat for a four inch galvanized iron vent pipe, which shall be screened at both ends with 16 mesh copper wire screen. The vent pipe shall extend to a height of not less than eight inches above the roof, and shall be provided with a metal cap to prevent the entrance of rain, or the light of day. The seat shall be grouted to the riser so that no cracks exist which will permit the entrance or exit of flies or mosquitoes. The seat shall be provided with a self-closing lid. A device shall be used which will maintain the lid in an open position when the toilet is being used, but which will automatically close the lid when the door is opened for exit from the toilet.

(f) The house shall be four feet square, 5 feet 6 inches high in the back, and 6 feet 6 inches high in front, and shall be provided with a shed roof. The building shall be ventilated on each side just under the roof. The roof shall extend five inches in front and 15 inches behind and 9 inches on each side.

Section 4. Should any defect occur in the privy which would cause it in any way to fail to meet the requirements as provided above, the defect shall be immediately corrected by the owner or agent of the premises on which the defect has occurred, unless the defect shall be caused by neglect, destructiveness on the part of the occupant of the premises on which the defect has occurred, or through his agent, in which case the occupant, of the premises on which the defect has defect has occurred.

Section 5. Any privy or private sewer existing or being maintained which does not conform to the requirements of this Ordinance, shall be, and is declared a nuisance, dangerous and a menace to public health, and the City of Hamlin, Texas, shall have the power and authority to abate any such nuisance in accordance with law.

Section 7. It shall be the duty of the Health Officer to enforce the provisions of this Ordinance, and in the performance of this duty the Health Officer or his duly authorized agent is hereby authorized to enter, at any reasonable hour, any premise as may be neces-

Section 8. Any person, firm, or corporation who violates or refuses or fails to comply with any of the provisions of this Ordinance shall be guilty of a misdemeanor, and shall be punished by a fine of not less than \$5.00 nor more than \$100.00.

Section 9. Every Section of this Ordinance and every provision of each section is hereby declared to be an individual section or provision, and the holding of any Section or provision of any Section to be void, ineffective or un-constitutional for any cause whatsoever shall not be deemed to affect any other Section or provision thereof.

Section 10. All Ordinances or parts of Ordinances in conflict herewith shall be and are hereby repealed.

Section 11. This Ordinance shall be cumulative of laws of the State of Texas.

Section 12. WHEREAS: an emergency is apparent for the immediate preservation of order, good government and public safety that requires this Ordinance to become effective at once; therefore, upon the passage of this Ordinance by a majority vote it shall be effective from and after the date of its passage.

extracted from the cotton plant a substance that repels boll weevils. It is the third substance extracted from the cotton plant which potential value for controlling the most destructive of all cotton insects, the boll weevil.

The first substances were an attractant that draws weevils to cotton plants and a feeding stimulant which makes the plant appetizing to the insects. found by scientists of USDA's Agricultural Experiment station at the Boll Weevil Research Laboratory, State College, Miss.

The repellent was discovered in connection with work with the attractant. When the attractant was warmed to room temperature, part of it vaporized or degraded. The part remaining proved repellent to boll weevils. A procedure was then developed for extracting the repellent from cotton squares (flower buds) and seedlings, the same parts of the plant containing the attractant.

The scientists listed these possibilities for the substances. Plantbreeders could conceivably develop cotton varieties either with a high content of the repellent so plants would repel weevils or with such a low content of the attractant that the plants would not attract weevils.

The discovery also introduces the prospect of starving boll weevils by driving them away from the kind of food they need. In laboratory tests, weevils were kept away from

cotton squares, bolls and seedlings for 5 to 12 hours even when they had no other food to eat. When other food was available, the weevils left the treated plant parts untouched for 36 hours.

Other possible uses for the attractant included the luring

Heart O' Texas Singers to Meet

The annual Heart O' Texas Singers Reunion will meet Saturday night and Sunday, April 27-28, in the high school auditorium at Brady, according to Mrs. A. C. Stewart, president of the organization.

A concert by visiting quartets will be given Saturday night beginning at 8 o'clock. Four outstanding quartets and many other groups will be on hand to entertain.

The doors will be open Sunday morning to the public for the all-day singing, which will include class singing and also quartet singing until 4 p.m.

Lunch will be served at the school cafeteria.

Mrs. Stewart cordially invites everyone to attend.

Free Fish Fry

There will be a "Free Fish Fry" at Abilene's Fisharama on Lake Ft. Phantom Wednesday, May 1, from 6 to 7:30 p.m.

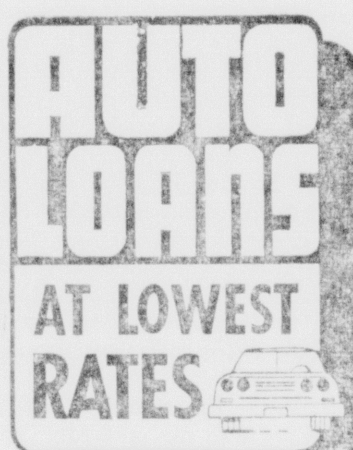

Mr. and Mrs. John L. Williams, owners and operators, extend an invitation to all fishermen of the area.

The fish fry is in celebration of the Williams' fourth anniversary at the Fisharama.

of weevils to a trap or simply to an area away from the cotton plants. The feeding stimulant does not attract weevils from a distant, but offers the possibility of forcing them to starve on the wrong kind of diet. Research is continuing on the substances and cotton strains are being checked for their content of them.

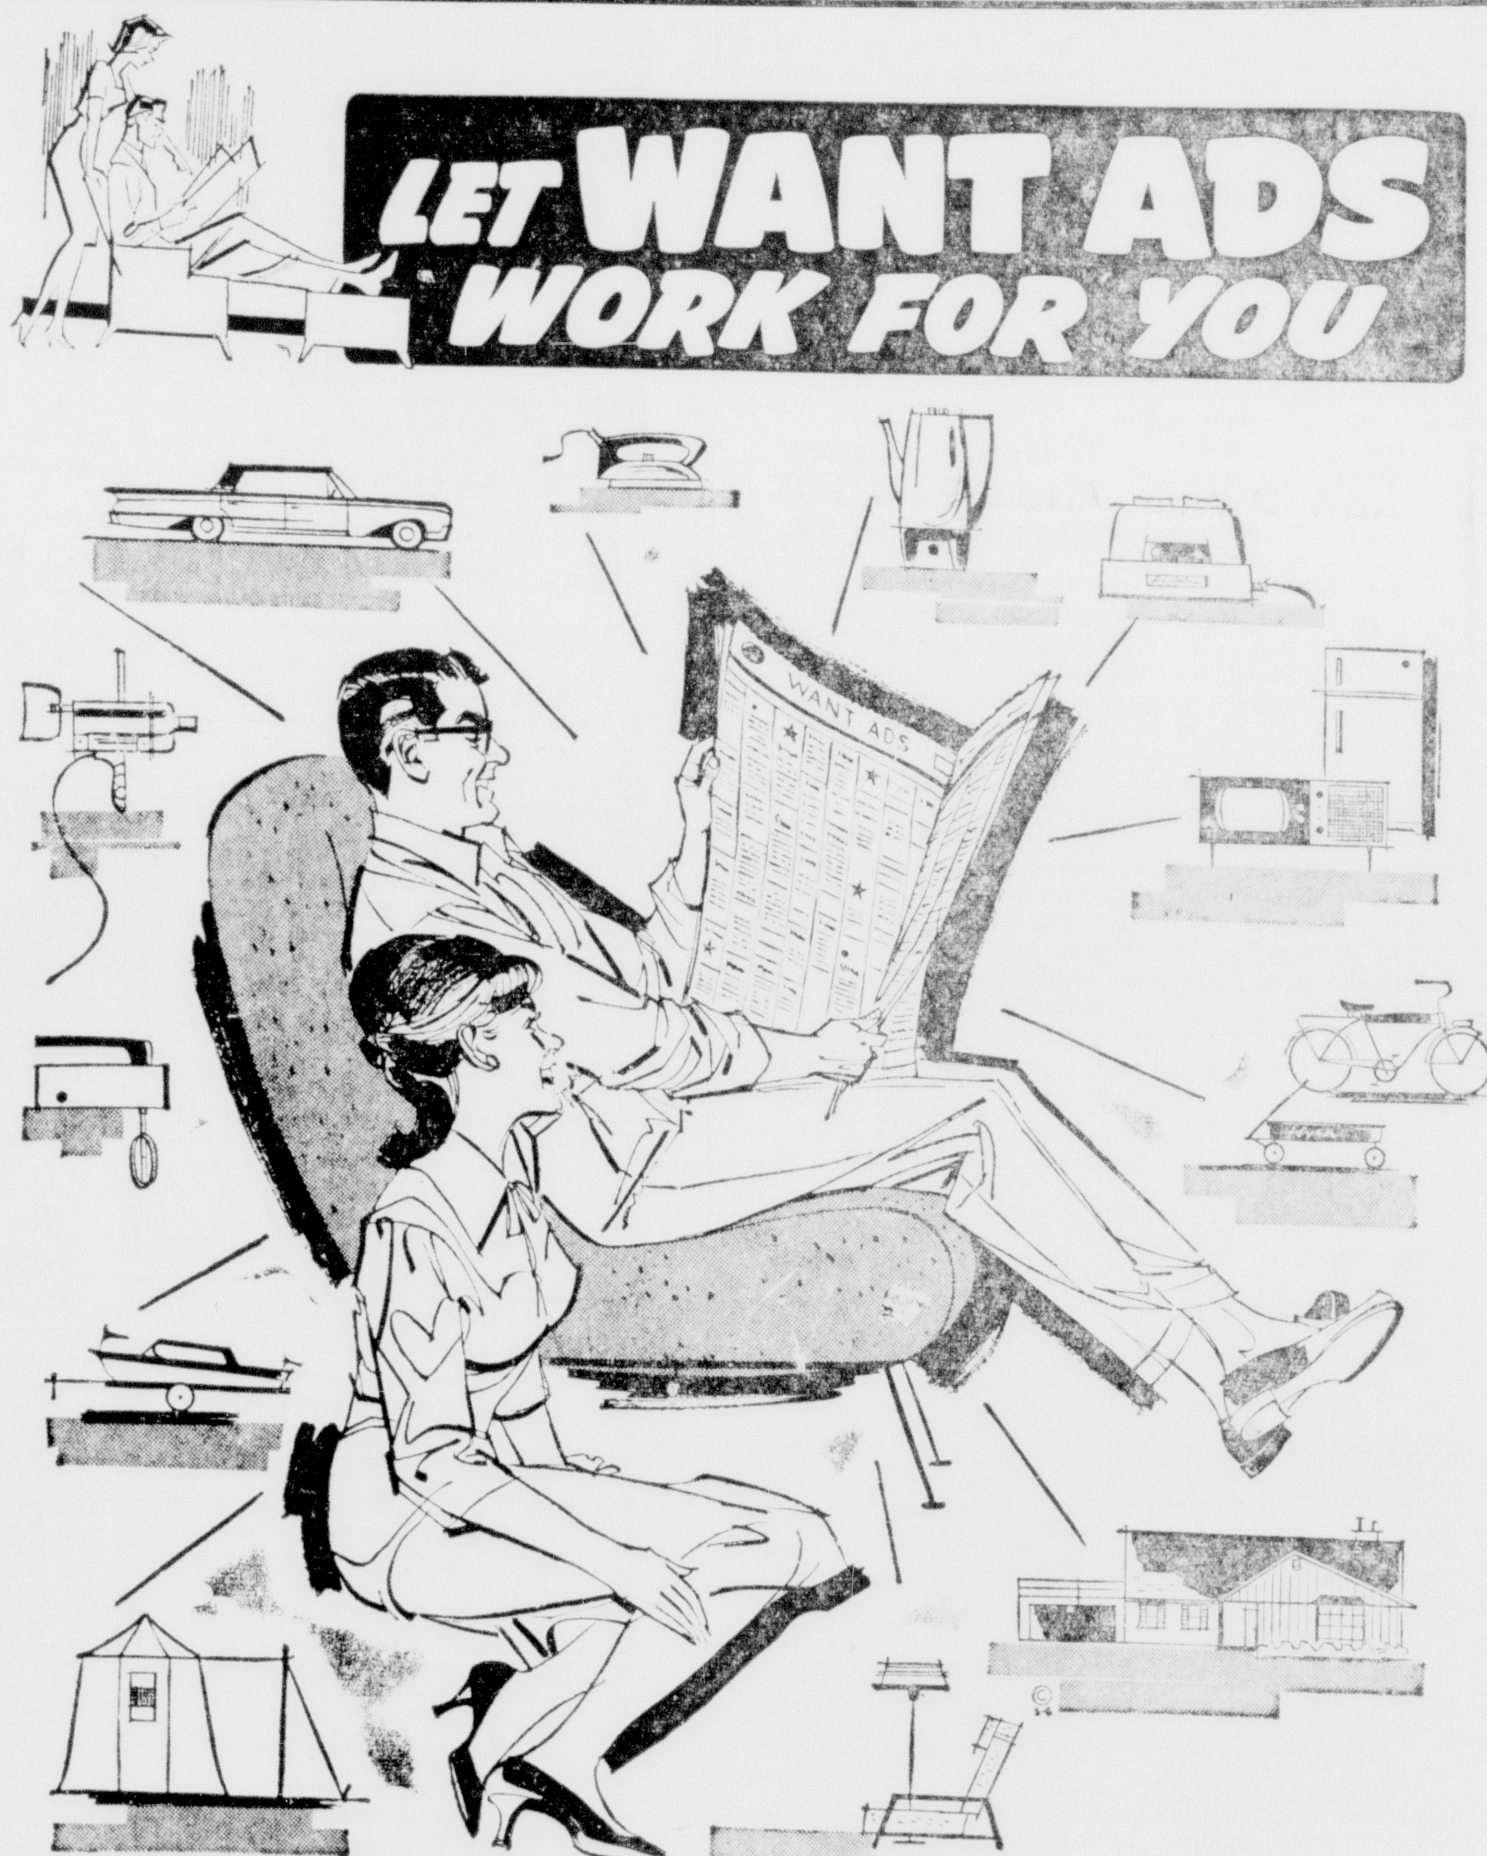

Jones County 4-H Entering District

Jones County 4-H Club members will enter eight different demonstrations in the Extension District III 4-H Elimination Contest at the Mid-Western University in Wichita Falls, on Saturday, April 27. The contest will start at 9:30 a.m. and results will be announced at 2 p.m.

COMMUNITY

It was reported by some (one or two) on Sunday that two more days of high dry winds would ruin the wheat (whatever that means). Needless to say relief from the high dry winds would be welcomed, especially if a nice rain were to come. Fact, it seems that a good rain is about all West Texans ever need. If we could arrange to have about one a month, at least, we might not have anything to worry about — well, maybe weeds. If it does not rain soon it doesn't look like we'll even have healthy

weeds by July.

BIRTHDAY DINNER

Mr. and Mrs. Joe Jones hosted a dinner at their home on Easter Sunday honoring his mother, Mrs. Ed Jones of Johnson Chapel. Mrs. Jones who had turned 85 years young on Saturday, April 13, was ill and unable to attend the celebration staged in her honor. Family members who did attend were Mr. and Mrs. Jack Jones and family, and Mr. and Mrs. Bill Olson and family of Stamford.

SIGHTS TO SEE IN TEXAS

There's plenty to see in Texas, wherever you may roam on a holiday jaunt or on a vacation trip. Clockwise from the lower left hand corner, some of the impressive sights to see in Texas are: The Big Bend, some of the most striking scenery in the state; Guadalupe Peak, highest point in Texas at 8,751 feet; the Palo Duro Canyon, camping grounds for Indian tribes in frontier days; East Texas oil fields,

biggest of them all; the 570-foot San Jacinto Monument, commemorating decisive battle of Texas history; Gulf Coast Beaches, some of the finest in the world; the Alamo, "Cradle of Texas Liberty," and in the center of the state, Texas Longhorn Cavern, biggest cave in the state and third largest in the world, one of Texas' most spectacular natural wonders. Sightseeing is fun in Texas.

Girls Prose Reading and was listed on the All-star cast of the One-Act Play.

Sofia Vargas placed first in Ready Writing and Larry Quase was second in Boys Prose Reading.

Old Glory's play, "Rose of Sharon," was given first on the program of a group of seven plays Friday evening. Their performance was excellent. It was reported that the quality of plays this year was much above previous years. The cast and stage crew presented their coach, Mrs. Cecil Klump, with a lovely yellow carnation corsage.

Mrs. Vera Eil was absent from school Monday in order to be with her mother, Mrs. R. O. Gibson, who underwent surgery at Stamford. Mrs. Betty Letz substituted in the first and second grade.

The Junior-Senior Banquet is scheduled for Saturday night at the Cliff House at Stamford. Some twenty-eight guests have been invited, including seniors, dates, and teachers. Terry Sellers is president of the Junior

class and Mrs. Cecil Klump is sponsor.

The County Teachers Meeting will be held next Monday night at the Hotel Stonewall with a dinner meal and games to follow. Old Glory is host for the event and the committee in charge is composed of Mr. T. E. Beil, Mrs. Tom Pritchard and Mrs. Eddie Mathews.

Old Glory 4-H's entered in County Contest Events Monday night included:

Junior electric team, Steve Letz and Weldon Spitzer; junior safety team, Kenneth Jones and Jimmy Leverett; junior girls public speaking, Judy White; senior girl's public speaking, Sharon Leverett; junior girl's vegetable preparation, Reva Letz and Judy Sander; senior girl's vegetable preparation, Donna Pierce and Carolyn Sander; and senior electric team, Stanley Diers and Danny Letz.

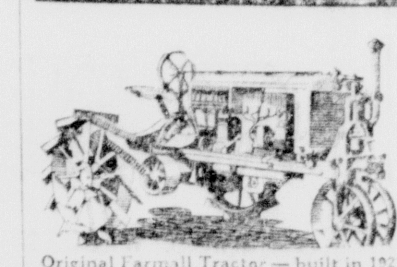

Others who will also attend the District Contest Events at Wichita Falls Saturday include the Poultry Judging team which is composed of Mike Baldree, Billie Ann Vahlenkamp and Charles Diers from Old Glory. Stonewall County 4-H's were in charge of the concession stand at the County Auction held at the 4-H Barn last Saturday. Old Glory 4-H members supplied the sandwiches and manned the booth. Those attending from Old Glory included adult leader, Mrs. Jack Jones, and members, Kenneth Jones, Jimmy Leverett, Lyndell, Quade, Brenda Palmer and Rita Baldree.

PERSON LS Mrs. R. O. Gibson, Sr. entered Stamford Memorial Hospital on last Tuesday for observation and treatment. She returned to her home on Saturday afternoon but re-entered the hospital on Sunday night for scheduled surgery Monday morning. Mrs. Gibson is the mother of Mrs. Vera Eil. We hope for Mrs. Gibson a speedy recovery.

Mr. and Mrs. Charlie Letz and Mr. and Mrs. Oscar Vanderworth left last Thursday for Denver, Colorado, for a visit with their children; Mr. and Mrs. O. D. Vanderworth and children, Ann and Michael.

BOARD PRESIDENT TELLS WHY SCHOOL TAX VOTE CALLED

(Editor's note: Since the Board of Trustees of the Hamlin Independent School District has called an election for the purpose of permitting the school tax rate to be increased the following report by the President of the Board, Fred B. Moore Jr., is being published here so that the board may explain to the taxpayers the reasons for this election.)

As president of the Board of Education of Hamlin, I want to discuss with you the problems that now confront the school board. We are having financial trouble in trying to operate our school. We are trying to give this community the type of school system that we will all be proud of and appreciate. In order to do this, we find it necessary to obtain more money in order to meet the needs.

I would like to state some of the reasons why this need is necessary:

For several years, the oil values have decreased, and will continue to do so under the present conditions.

Each school in Texas has to contribute to the State's total cost. This has risen each year since 1955.

Teacher's salaries and local maintenance has increased.

We, the Board, have done a

great deal of research and studying of this matter and have come to this conclusion. There are three ways we can solve this problem:

Curtail the educational program, reduce expenses by using fewer teachers and less equipment, which in turn would give students in our school an inferior education.

Request the Board of Equalization to re-evaluate all properties in our school district.

Ask the people in the Hamlin school district to vote on Senate Bill 116, which would leave values the same and permit the Board to increase the tax rate as needed, but not to exceed \$1.50 per \$100 valuation for maintenance purposes.

The Board of Trustees have made a decision in regard to the above ways to solve our problem. We feel that the people of Hamlin would not accept a curtailment in our program, because the Board feels that the demands on our schools have increased and we should add instead of taking from our program. Also we feel that re-evaluation is not the best way to solve this deficiency. Therefore, the third proposal is our decision.

There has been a petition presented to the Board to call an election in order to give the property tax paying, qualified voters the privilege to vote on the following proposition:

"Shall the Board of Trustees of Hamlin Independent School District of Jones, Fisher and Stonewall Counties, Texas, be authorized and empowered to levy an annual ad valorem tax at the rate of not to exceed one dollar and fifty cents (\$1.50) on the one hundred dollars valuation of taxable properties in said school district for the further maintenance of public schools therein."

If the voters turn this proposition down, the Board will not have any choice but to request the Equalization Board to re-evaluate all property in the Hamlin school district.

Again, I would like to state what the Board wishes in regard to this matter.

Also I think you will prefer the Senate Bill 116.

We, the Board of Education, have pointed out the needs and have proposed a solution to finance our school and continue to have high quality education. We request any group, club or just an interested citizen that would like to have detailed information, please call on any Board member: Revis Robertson, Bill Harbert, Dr. M. L. Smith, Joe Hudspeth, Richard Young Jr., J. E. McCoy, Mr. Cook or myself. We are more than anxious to inform the public. We will have more information in the paper each week.

Thank you.

Hamlin Police Nab Two Suspects for Stamford Sunday

Two suspects that were wanted by the Stamford Police Dept. were picked up here early Sunday morning by City Patrolman M. M. Cade. The young men from Rotan were wanted in connection with an automobile break-in when more than \$60 was taken in two ladies' purses. The locked automobile was broken into in Stamford. The men were picked up at 2 a.m. at a local cafe and taken to the County Jail Anson.

Also on Sunday a back glass was broken out of a car parked in downtown Hamlin. The vandalism occurred at 11:15 p.m.

Two women were involved in an accident in the center of the intersection of Northwest Ave. B and Third Streets Wednesday morning at 8:10 a.m. Investigating the incident was Police Chief Frank Chapman. He reported that neither of the occupants were injured. Mary Derrick Stevenson was traveling north on Ave. B and the driver of the other car, Mrs. Jesse Brown of California, was traveling east on Third Street. The front of the Brown car was damaged but no estimate was given. The left rear fender of the Stevenson car was damaged, estimated at about \$35.

Hamlin Had Nine Entered at Regional

Hamlin sent nine boys in even events to regional Inter-scholastic League competition over the week end in Lubbock.

Local participants were: Larry Butler who placed fourth in low hurdles and seventh in high hurdles in the finals; Ronnie Teichelman was beaten by last years state champion from Train in the semi-finals in tennis; the golf team, Van New-

berry, Mark Smith, Randy Brown and John Poe, won third Others going to Lubbock were Lewis Law's, poetry interpretation; Jackie Townley, persuasive speaking; Mark Smith and Bill Dean, science; and Mark Smith, number sense.

'Son of Flubber' Coming to Rogue

One of the funniest comedies to come out of Hollywood in many a day is Walt Disney's newest laugh-roil, "Son of Flubber," opening at the Rogue Theatre Sunday.

Starring Fred MacMurray, Nancy Olson and Keenan Wynn, it is a worthy successor to the producer's earlier comedy hit, "The Absent-Minded Professor," in which this same stellar trio combined their talents to bring off the hilarious hi-jinks.

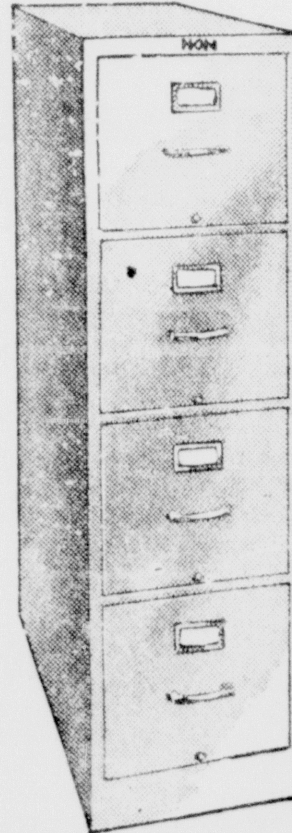

MacMurray again plays the absent-minded Professor Brainard whose scientific experiments plunge him into all kinds of hot water. His newest discovery involves an off-shoot of an earlier phenomena, flubber (an anti-gravity substance), which he labels flubbergas. The professor not only uses it to put a football team into orbit but eventually to create a rain-storm that results in a torrent of laughs.

REV. HARTLEY TO RETURN TO PULPIT SUNDAY

Rev. Lenard Hartley, pastor of the First Baptist Church, will return at the end of the week from Hong Kong where he is completing a revival as a part of the Japan New Life Movement. Rev. Hartley left March 27 and assisted in revivals on the Island of Luzon and in Hong Kong.

In a telephone conversation Monday with his wife he said that he would be in Hamlin for services at the local church Sunday. During the time spent with the evangelist campaign Rev. Hartley was also able to see the work of the Baptists in Tokyo and also Taipei.

While in Tokyo in mid-April Rev. Hartley visited briefly with Mr. and Mrs. W. C. Russell, layworkers from the local church who are also participating in the movement. At the time of the visit the Russells had not begun their work with the revivals. Since that time they have gone to Kanazawa Shi, Japan, for a revival there. At this time they are at Horikawa, Totsuwa Shi, Japan. The revival will close May 6.

Special emphasis is being placed on services at the church here Sunday as it has been designated as "Pastor Appreciation Day." High attendance is being stressed for all services.

Assembly of God Revival to Close Friday Evening

The revival meeting now in progress at the Assembly of God Church will close Friday with the evening services.

The Rev. Carl Alcorn, pastor of the Southside Assembly of God Church, Wichita Falls, is the guest evangelist and is preaching each evening at 7:30.

Special music is presented each evening.

An invitation is extended to each one in the community to attend these gospel meetings, according to the pastor, the Rev. J. C. Amburn.

The Rev. Alcorn is a well known evangelist and has a radio broadcast over station KWFT, Wichita Falls, each Sunday morning.

Fire Department Answers 3 Calls

Three alarms were answered this week by the Hamlin Volunteer Fire Department. At 5:10 a.m. Friday a call was made for a fire at 245 N. W. Ave. J. A couch was destroyed and smoke damaged the rest of the house owned by F. A. Bryant. The E. W. Montgomery family live in the residence. Thursday at 12:50 p.m. there was a fence fire at a barn on the Jess Young farm one mile southeast of town. Minor damage resulted to the fence.

At 1 p.m. Sunday the department was called to the H. Hester residence on Northeast Ave. C. for a grass fire. There was no damage.
